About Me

Metallurgical Engineering student seeking an opportunity to apply my technical knowledge and practical skills in a reputed organization. I aim to contribute to the organization through continuous learning, teamwork, and a strong interest in materials, manufacturing, and metallurgical processes while developing my professional skills.

Internship

- **NLCIL - Central workshop (foundry)**
  (15/12/2025 - 27/12/2025) - 13 days
- **Indian Institute of Technology, Madras**
  (20/04/2026 - 19/05/2026) - 30 days
- **Queens india engineering services**
  (10/06/2026 - 30/06/2026) - 21 days

Certification

- NDT- LEVEL II Course Certified (VI,LPT,MPT,UT,RT)
- Material processing

Area of interest

- Heat treatment
- Casting production
- DT & NDT

Mini Project

- Literature review on fatigue failure in the de havilland comet aircraft

Skills

- Metallography and Microstructure Analysis
- Expert HighScore - XRD Data Analysis
- OriginPro - XY Plotting & Data Analysis
- Microsoft Word

Ex-curricular Activities

- NCC-A certificate
- Volley ball (Zone & District)
- SBZ dance club

Language

- Tamil
- English

Academic Profile

Bachelor Of Metallurgical Engineering

Government College of Engineering, Salem-11
2023-2027 **7.21 CGPA** upto 6th semester

Higher Secondary Education

Government Higher Secondary School-Singalandapuram.
2022-2023
79.9%

Secondary School Education

Sri Vidya Mandir Matric higher secondary school - Rasipuram.
2020-2021

Experience

Intern - Foundry Division - Central Workshop

- Gained practical exposure to foundry operations,including mould preparation,metal melting,casting and finishing process.

Intern - IITM

- The specimen was prepared using abrasive papers from coarse to fine grit.
- Prepared high-quality surface finishes using diamond and colloidal silica polishing.
- Microstructure analysis using optical microscope

Intern - Queens india engineering services

- Trained in inspection procedures, defect identification.
- Familiar with applicable NDT standards and safety practices.

Declaration

- I hereby declare that the information furnished above is true to best of Knowledge.
