## ABOUT ME

ComputerScienceEngineering graduate (2026) with hands-on experience in software development,Testing, Artificial Intelligence, and Computer Vision through academic projects and internships. Skilled in Java, SQL, web technologies, with a strong foundation in OOP and problem solving. Interested in building practical softwaresolutions,learning new technologies, and growing as a Software Engineer.

## EDUCATION

SSLC (10th)-75.4%
M.A.M Matric Hr Sec School 2019-2020

HSC -81.6%
M.A.M Matric Hr Sec School 2021-2022
College
Paavai Engineering College 2022-2026
CGPA-8.6

## PROJECT

**Automated Business Lead Generation Using Crunchbase and OCR Algorithm**

Developed a system to automate business lead generation by extracting and analyzing information from documents and images using OCR and Crunchbase data.

**Difficulty in identifying Suitable IT Job Roles After Learning Technical Skills**

Developed a system that analyzes users skills and qualifications to recommend suitable IT job roles such as Software Developer,Business Analyst,Data Analyst,and Software Tester.

**Hospital Management System**

Developed a console-based Hospital Management System using Core Java to manage patient registration,records,and checkup details.Implemented ArrayLists,Scanner,switch-case,and conditional logic for patient management and consultation/admission status.

## INTERNSHIP

**AICTE INTERNSHIP**

**| Jan2025 – Mar 2025 )**

- Learned Software development and industry practices through hands-on-training.
- Worked on problem-solving and technical tasks using programming concepts.
- Improved teamwork,communication,and analytical skills.

**Software Testing Intern**

**Qspiders Chennai | Jan 2026**

- Gained hands-on knowledge in SQL,Core Java, and Manual Software Testing concepts.
- Practiced SQL Queries,Java programming fundamentals,test case creation,defect identification,and software

## SKILLS

Programming: Java

Core Concepts: OOP, Data Structures, Problem Solving

Database: SQL

Web Development: HTML, CSS

Software Testing: Manual Testing

Tools: Linux,VS Code,Sql Plus,JIRA

## CERTIFICATIONS

- Java- ProgrammingCourse(Hands-On)
- UI Developer- ICT ACADEMY
- Database-Sql
- Cyber Security-EDUTANTR
