CAREER OBJECTIVE

Computer Science graduate with strong fundamentals and programming skills, eager to build efficient, scalable solutions and grow through teamwork and continuous learning.

EDUCATION

Kongunadu College of Engineering and Technology **2022-2026**

Bachelor of Engineering in Computer Science - 81%

The Modern Academy matric Higher Secondary School

- HSC - 88%

The Modern Academy matric Higher Secondary School

- SSLC - 88%

TECHNICAL SKILLS

- Java
- Html , CSS & javascript
- MySQL
- SpringBoot

PROJECTS

DROWSINESS DETECTION USING MACHINE LEARNING

- Built a beginner-level ML system to detect eye closure and yawning using facial landmarks.
- Trained a CNN model to classify driver states as drowsy or alert.
- Implemented a real-time alert mechanism that triggers an audio alarm to prevent possible
- accidents.

Technologies: Python, OpenCV, dlib, Keras, CNN, Webcam.

ENABLING TRANSPARENT GENEROSITY THROUGH BLOCKCHAIN

- Built a blockchain-based platform to ensure transparent and secure charity donations.
- Developed smart contract logic to track and verify fund transactions between donors and recipients.
- Implemented a system to maintain immutable records, ensuring trust and accountability.

Technologies: Blockchain, Smart Contracts, Ethereum, Solidity, Web3.js , Ganache.

INTELLIGENT SPEECH FLUENCY AND SIGN TRANSLATION SYSYEM

- Developed modules for extracting features like MFCC, pitch, and energy to evaluate speech patterns.
- Implemented a CNN-based model to recognize hand gestures and convert them into meaningful text output.
- Integrated real-time processing using webcam input for both speech and sign detection.

Technologies: Python, OpenCV, TensorFlow, CNN, dlib, NumPy, Webcam.

HACKATHON

Participated in the **VIT Bhopal Health Hackathon** and developed a Virtual Health Assistant website supporting doctor–patient appointment booking and online consultation.

CERTIFICATIONS

- Participated in VIT Bhopal Health Hackathon
- Completed ML certification – SmartED
- Completed UI/UX certification – Xplore IT CORP

DECLARATION

I hereby declare that the information provided is true to the best of my knowledge.
