PROFESSIONAL SUMMARY

Motivated B.Sc. Computer Science (AI & Data Science) undergraduate with a strong interest in Web Development and Graphic Design. Skilled in HTML5, CSS3, JavaScript, Basic Python, SQL, Adobe Photoshop, Adobe InDesign, Adobe Illustrator, and CorelDRAW. A quick learner with a creative mindset and a strong academic record (CGPA: 8.3). Seeking an opportunity to apply my skills, gain practical experience, and build a successful career in the IT industry.

EDUCATION

- **B.Sc. Computer Science (Artificial Intelligence & Data Science)** 2024 – 2027
  Periyar University | CGPA: 8.3 / 10

- **Higher Secondary Education - (Mathematics with Computer Science)** 2023 – 2024
  R.C Sacred Heart Higher Secondary School | Percentage: 64.3

TECHNICAL SKILLS

- **Programming Languages :** Basic Python, Basic AI tools
- **Web Technologies :** HTML5, CSS3, JAVASCRIPT
- **Databases :** MYSQL, SQLite
- **Graphic Design Tools :** Adobe Illustrator, Photoshop, Adobe InDesign, CorelDraw, Canva
- **Tools :** Github, VS Code

SOFT SKILL

- Innovative Thinking
- Communication Skills
- Quick Learner
- Problem-Solving
- Time management
- Adaptability
- Team collaboration

PROJECT

[Add 2–3 academic or personal projects here — e.g. project title, tech stack used, and a one-line outcome/impact statement. This section is currently empty because no project details were provided.]

CERTIFICATION

[Add certification names, issuing platform (e.g. Coursera, NPTEL, Infosys Springboard), and completion year — none were provided in the source resume.

INTERNSHIP / TRAINING

- Gained hands-on experience in HTML5 by creating and designing basic web pages during the internship.
- Applied Basic Python concepts to understand programming fundamentals and complete practical exercises assigned during the internship.

ACHIEVEMENTS

- Maintained a strong academic record with a current CGPA of 8.3/10 in B.Sc. CS (AI & DS).
- Participated in college India runs and hackathon events.
- Contributed to an MSME graphic design project and attended a non-technical workshop to enhance professional skills.

LANGUAGES

- **Tamil** (Native)
- **English**(Professional Working Proficiency)
