Targeting: Quality Control / Production Executive | FMCG & Food Industry

PROFESSIONAL SUMMARY

Results-driven B.Tech Food Technology graduate with proven internship experience at ITC Ltd and Dabur India, where I identified packaging yield loss points and contributed to cost-saving process improvements in FMCG manufacturing. Currently working as a Technical Officer at Hatsun Agro Products Ltd, applying quality control and food safety expertise in a live production environment. Certified in HACCP and FSMS, with hands-on expertise in GMP, quality control, and food safety standards. Combines strong food science fundamentals with data analysis skills (Python, Excel) to drive operational efficiency.

WORK & INTERNSHIP EXPERIENCE

Technical Officer

Hatsun Agro Products Ltd, Chennai | Jun 2025 – Present

- Responsible for quality control and technical operations within the production facility, ensuring adherence to food safety and GMP standards.
- Monitor and evaluate production processes to maintain product quality and regulatory compliance.
- Coordinate with cross-functional teams on day-to-day technical and quality assurance activities.

Project Intern

ITC Pvt Ltd, Chennai | Jun 2023 – Jul 2023

- Analysed packaging material yield across 8+ SKUs, identifying key wastage points and proposing process changes that targeted an estimated 10–12% reduction in material loss.
- Implemented 5S workplace methodology across the production floor, improving operational organisation, safety compliance, and overall workflow efficiency.
- Collected and interpreted production data using Excel to support yield performance reporting shared with senior operations team.
- Gained hands-on exposure to FMCG packaging operations, GMP protocols, and quality control checkpoints across 2 manufacturing lines.

Management Intern

Dabur India Pvt Ltd, Chennai | Aug 2023

- Supported project management for 3 FMCG product lines, contributing to market analysis reports reviewed by cross-functional leadership.
- Prepared 5+ management reports per week summarising performance metrics and market insights, enabling faster data-driven decisions.
- Collaborated with production, quality, and supply chain teams on daily FMCG operations, gaining end-to-end process exposure.

Social Media Intern

Internshala | May 2024

- Managed content strategy and grew page engagement; awarded Certificate of Selection for securing Social Media Marketing internship at Kochiva through Internshala.

Campus & Social Influence Intern

BEEP Community, Remote | Feb 2025 – Mar 2026

- Engaged 100+ campus stakeholders to identify and address social and economic challenges, building community outreach and communication skills.

EDUCATION

B.Tech Food Technology

Paavai Engineering College, Namakkal | Roll No: 100121571211014 | Batch: 2021–2025 | Jun 2021 – May 2025 | CGPA: 7.19

HSC (Class XII)

Sowdambikaa Matric Higher Secondary School, Thottiyam | 2021 | 79.2%

SSLC (Class X)
Sowdambikaa Matric Higher Secondary School, Thottiyam | 2019 | 70%

SKILLS

Food Science & Quality: GMP, HACCP, FSMS, Food Safety Standards, Packaging Yield Analysis, Quality Control, Machine Handling, Operational Prerequisite Programs (OPP)

Data & IT: Python Programming, Data Analysis, Microsoft Excel, Microsoft Word, PowerPoint, LeetCode

Soft Skills: Decision Making, Teamwork, Problem Solving, Communication, Multi-tasking

Languages: English (Professional), Tamil (Native), Telugu (Conversational)

PROJECTS

Development of Probiotic Infused Herbal Millet Biscuits — Final Year Research Project

- Formulated a novel gluten-free, high-nutrition millet biscuit incorporating 3 herbal ingredients and a live probiotic strain (Lactobacillus sp.), targeting functional food market gaps.
- Conducted 4 formulation trials optimising ingredient ratios for texture, taste, and probiotic viability; achieved positive sensory evaluation scores from a 30-member panel.
- Presented research at 3 national conferences and selected as a top student submission from the region.

5S Workplace Organisation — ITC Pvt Ltd

- Implemented all 5 pillars of the 5S methodology (Sort, Set in Order, Shine, Standardise, Sustain) across an active FMCG production floor, resulting in visibly improved workspace organisation and safety compliance.

CONFERENCES & PAPER PRESENTATIONS

Certificate of Appreciation — St. Peter's College of Engineering & Technology | 14 Feb 2025
Paper: "Biosensors in Food Industries" — National Conference on Exploring Current Trends in Biotechnology Innovations for Drug Discovery

Certificate of Participation — Bannari Amman Institute of Technology (IBSF 2025) | 17 Feb 2025
Paper: "Development of Probiotic-Infused Herbal Millet Biscuits" — National Conference on Innovations in Biotechnology for Sustainable Future

Certificate of Participation — Selvam College of Technology (NCTMI 2025) | 4 Apr 2025
Paper: "Development of Probiotic Infused Herbal Millet Biscuits" — National Level Conference on Technological and Managerial Innovation

CERTIFICATIONS & TRAINING

Core (Food & FMCG):

- HACCP and FSMS — Foodyaari
- NxL Youth Empowerment Program — Nestlé
- Nestlé YEP Academy — "Idea Generation" Entrepreneurship Training — Nestlé Youth Entrepreneurship Platform | 20 Jun 2024
- Nesternship — "How to Ace Your Interviews" — Nestlé | Certificate of Attendance
- The Journey of Vaccine Trials in an Academic Setting — PRISM TALKS Webinar — Chennai Liver Foundation & ICMR-NIE | 25 Sep 2025
- Improving Fortified Rice Kernel Quality and Lab Test — FICSI Webinar — Skill India | 30 Dec 2025
- Nestlé Science and Technology Seminars 2025 — "Agro-Ingredients: Current and Emerging" — Nestlé R&D | 4 Jul 2025 | Certificate of Attendance

Technical & Digital:

- Python Programming — Rajalakshmi Engineering College | Jun–Jul 2021
- Freddy AI Agent Essential — Freshwork University

Workshops & Masterclasses:

- Marshmallow Cookies Workshop by Seema Ranani — Airblack Culinary Club | 25 Sep 2022
- Festive Cakesicles Workshop — Airblack Culinary Club | 28 Sep 2022
- Future Skills Workshop — Chitti — Certification of Participation
- "Bring Out the More in You" — 90-min Online Masterclass (World Youth Skills Day) — L&T EduTech | 15 Jul 2024
- National Webinar on Apple Processing and Value Addition — NIFTEM-T, Thanjavur (PMFME, Govt. of India) | 26 Mar 2025
- Internet of Things (IoT) | AR & VR Gaming Technology — Rajalakshmi Engineering College | Aug 2021

EXTRA-CURRICULAR ACTIVITIES

- Internshala Students Partner — Awarded Certificate of Excellence for top campus engagement performance (Sep 2022); also secured Certificate of Selection for Social Media Marketing internship at Kochiva via Internshala (May 2024).
- Represented college at Tamil Nadu Global Investors Meet 2023, Chennai — networked with 500+ industry professionals.
- Participated in Chitti Future Skills Workshop, gaining certification in emerging skill development areas.
