SKILLS HIGHLIGHTS

- Auto-CAD
- Technical Blueprint Reading
- Microsoft Excel
- Microsoft Word
- Quick Learner
- Adaptive Mindset
- Strong Communication
- Team Collaboration
- Problem-Solving

STRENGTHS

Detail-Oriented
Ensures accuracy and quality in all tasks.

Adaptable
Quick to learn and adjust in dynamic environments.

Team Player
Collaborates effectively to achieve common goals.

OBJECTIVE

Detail-oriented and adaptable Electrical & Electronics Engineering Diploma holder with hands-on technical experience in automotive assembly, CNC machining, and quality inspection. Proven track record of ensuring precision, safety, and efficiency in fast-paced production environments. Eager to contribute technical skills and a strong work ethic to a rapidly growing organization.

EXPERIENCE

Ashok Leyland Unit-1, Hosur
15/12/2025 – 13/06/2026
Casual Labour

Role: Production Associate / Casual Labour | **Dates:** 15/12/2025 – 13/06/2026

- **Engine Assembly:** Efficiently assembled P-15 automotive engines, demonstrating a deep understanding of mechanical components and their working principles.
- **Testing & Calibration:** Conducted CNC engine testing and rocking procedures on the test bed to verify performance standards.
- **Quality Control:** Inspected engine quality, identified defects, and ensured critical components like caps were properly fitted to meet manufacturing specifications.
- **Machining Operations:** Safely and effectively operated various CNC machines to manufacture parts within specified tolerances.

EDUCATION

Government Polytechnic college, Vanavasi.
2025
Diploma in Electrical & Electronic Engineering
80%

Malco vidyalaya matric higher secondary school, Sampalli
2023
SSLC
203/500

TECHNICAL SKILLS

Engineering Tools	Auto-CAD, Technical Blueprint Reading
Software Proficiency	Microsoft Excel, Microsoft Word

PERSONAL SKILLS

Quick Learner | Adaptive Mindset | Strong Communication | Team Collaboration | Problem-Solving
