PROFESSIONAL SUMMARY

Electronics and Communication Engineering student with hands-on experience in embedded systems, IoT, and intelligent automation, seeking an entry-level ECE role to develop practical engineering solutions and contribute to real-world projects.

EXPERIENCE

Endhutech 15 Days

IoT & Embedded Systems Intern *Coimbatore, Tamil Nadu*

- Built and tested sensor-based prototypes using **Arduino, ESP32, Arduino IDE, and Wokwi**, gaining hands-on experience in embedded development.
- Worked on practical applications involving **gas detection, soil moisture monitoring, RFID, Bluetooth control, and Wi-Fi scanning**.

Aptiv June 2026 – July 2026

Industrial Intern *Chennai, Tamil Nadu*

- Gained practical exposure to **automotive manufacturing operations**, material handling, inventory processes, and industrial workflows.
- Observed and supported **automotive wiring harness production** for Hyundai and Renault-Nissan applications, with exposure to safety and quality practices.

PROJECTS

SmartClass AI – Smart Classroom Attendance & Bunk Detection System Python, Flask, OpenCV

- Developed an automated **facial recognition attendance system** using 128-point biometric encoding to reduce manual roll calls and prevent proxy attendance.
- Implemented **real-time bunk detection** with 60-second exit monitoring, mentor approval workflow, and automated parent email notifications.
- Built a **Flask dashboard** with live attendance updates and Google Sheets synchronization; achieved **78% recognition accuracy** across 8 functional test scenarios.

EDUCATION

Excel Engineering College 2023 – 2027

B.E. Electronics and Communication Engineering *Tamil Nadu, India*

- **CGPA: 8.1/10**

Sengunthar Higher Secondary School 2023

Higher Secondary Education (12th Standard) *Tamil Nadu, India*

- **Percentage: 87%**

SKILLS

Technical Skills: C Programming, Embedded Systems, IoT

Professional Skills: Leadership, Teamwork, Communication

ACHIEVEMENTS & ACTIVITIES

- Participated in **Project War** and **Project Presentation** at **GALAXY'26 – The Version of AI**, Government College of Engineering, Erode (IRTT).
- Participated in **Paper Presentation** and **Image Prompting** events at **SPECTRA 2K26**, a National Level Technical Symposium at Kongu Engineering College.
- Completed an **Embedded Systems Comprehensive Course** conducted by **L&T** and participated in a **Robotics Workshop** at **NEC-Tech Fest 2K24**, National Engineering College.
- Completed a **MATLAB Courses** and **Great Learning Course**.
- Participated in State-Level Football Championship during school

LANGUAGES

Tamil: Fluent **English:** Intermediate **Malayalam:** Basic
