ABINASH M

AE Technician | MLB Equipment | Line Bring-up & Preventive Maintenance

+91 99445 78984 | abinashmurugan01@gmail.com | 4/7, Nambi Street, Poonamallee, Chennai - 600056

PROFESSIONAL SUMMARY

Mechanical Engineer (B.E.) with 3+ years of hands-on experience in manufacturing equipment maintenance and NPI line bring-up at Foxconn. Skilled in preventive and breakdown maintenance, line setup and debugging, and troubleshooting servo/stepper drives, motors and sensors. Currently serving as Jesko L1 / L2 PD and UAT line coordinator. Strong analytical thinker focused on minimizing downtime and sustaining yield and KPI targets.

PROFESSIONAL EXPERIENCE

Foxconn Hon Hai Technology India Mega Development Pvt Ltd — **2024 – Present**

AE Technician – MLB Equipment Team

- **Line Setup & Bring-up:** Line setup, debugging, startup and bring-up of production lines; quick troubleshooting of line breakdowns to restore production.
- **PD & UAT Line Coordination:** Jesko L1 / L2 PD and UAT line coordinator – coordinating PD and UAT line activities.
- **Preventive & Breakdown Maintenance:** Startup, breakdown and preventive maintenance of line equipment, including JET PM activities for Flux Dispensing Machines.
- **Machines Handled:** Flux Dispensing, Pick & Place, Hotbar Flexbond, Bottom GRT & Top GRT, LG PRI and barcode printer machines – maintenance, troubleshooting and operation.
- **Drives & Sensors:** Troubleshooting servo motors, stepper motors, induction motors and servo drives; working knowledge of inductive, capacitive, fiber optic and proximity sensors.
- **NPI Projects:** Installation and machine bring-up for NPI projects – Delorian, Lightning, Roma, Jesko and Huracan.
- **KPI & Yield:** KPI improvement, yield tracking and sustaining yield targets.

Reynolds Pens India Pvt. Ltd. — **2023 – 2024**

Quality Inspector

- Ensured products met quality, safety and industry standards by inspecting raw materials, in-process production and finished goods.

Leewon Precision Pvt. Ltd. — **2022 – 2023**

Graduate Engineer Trainee

- Assisted senior engineers with projects, research, training, reporting and administrative tasks.

KEY SKILLS

- **Maintenance:** Preventive Maintenance (PM / JET PM) • Breakdown Maintenance • Line Setup & Debugging • Line Bring-up
- **Electrical & Automation:** Servo, Stepper & Induction Motors • Servo Drives • Inductive, Capacitive, Fiber Optic & Proximity Sensors
- **Process & Quality:** NPI Installation • PD & UAT Line Coordination • Yield Tracking • KPI Improvement • Quality Inspection
- **Software:** MS Office • Excel • PowerPoint
- **Soft Skills:** Time Management • Strong Analytical Thinking • Team Building

EDUCATION

B.E. Mechanical Engineering – M.A.M College of Engineering and Technology, Trichy — **CGPA: 8.29**

HSC – DGM Higher Secondary School, Sethiyathope — **79.9%**

SSLC – Government High School, Sethiyathope — **87.8%**
