# SUDHARSHAN S

Mobile: +91 94880 44570 |Email: sudharshan.s0123@gmail.com
LinkedIn: https://in.linkedin.com/in/sudharshan-s-20065/

## EDUCATION

**Bachelor of pharmacy (B.Pharm)** — Nandha College of Pharmacy, Erode| The Tamil Nadu Dr. M.G.R University | 2022–2026

## PROJECTS EXPERIENCE

**B.Pharm Academic Project —** Synthesis, Characterization and Computational Studies of Quinoxalin-2-One Mannich Base Derivatives | Sep 2026

- Performed synthetic chemistry work involving Quinoxalin-2-One Mannich Base Derivatives and characterization using spectroscopic techniques.
- Applied molecular docking and in-silico profiling approaches to support evaluation of synthesized compounds.

## INTERNSHIP EXPERIENCE

**Intern – Chemical and Instrumental Analysis** – Jegath Labs Limited, Virudhunagar | May 2026–Jun 2026

- Performed laboratory experiments and assisted in quantitative and qualitative analysis of chemical compounds and pharmaceutical formulations.
- Operated LC-MS, HPLC, GC-MS & ICP-MS instruments and assisted with data interpretation, calibration, and troubleshooting under the guidance of senior scientists.

## SEMINARS & PROGRAMME DELEGATE CERTIFICATIONS

- National seminar on Investigating The Pharmacological Effect Of Novel Compounds On Cancer Cell Lines — JKKMMRF'S Annai Jkk Sampoorani Ammal College Of Pharmacy, Sep 2024.
- National seminar on Exploring Innovative Approaches In Green Chemistry For Sustainable Phytopharmaceuticals Development – JKKMMRF'S Annai Jkk Sampoorani Ammal College Of Pharmacy, Feb 2026.
- Continuing education programme Titled Next-Gen Drug Discovery With Machine Intelligence For Gen Z Trailblazers – Nandha College of Pharmacy, Jul 2026

## ADDITIONAL INFORMATION

- **Technical skills:** HPLC, LC-MS, GC-MS & ICP-MS, Basic pharmaceutical analysis, GMP, GLP, sample preparation, laboratory safety procedures.
- **Languages**: Tamil (Native) | English (Professional)
- **Extra curricular:** laboratory and practical-based pharmaceutical activities
- **Interests:** Pharmaceutical product development, Drugs design,R&D.
