EDUCATION

BE. Computer Science and Engineering, Anna University — 2026
Karpagam College of Engineering — CGPA: 6.89

SKILLS

Frontend	React, Redux, Tailwind, RadixUi
Backend	Node, Express, Hapi
DevOps and Tools	Git, Redis, Docker, BullMQ
Database and Utilities	PostgreSQL, mySql, MangoDB, Seeding Scripts
Others	PowerBi

EXPERIENCE

Product Developer Intern — Apr 2025 – Aug 2025
Lumel Technologies — *Chennai, India*

- Contributed to the development of an internal platform for evaluating employee skills, working across both frontend and backend components.
- Gained hands-on experience with collaborative development practices, including version control, shared workflows, and database seeding for streamlined team setup.
- Helped implement asynchronous processing and background job queues to enhance system efficiency and task handling.

PROJECTS

Leave Management System

- Developed a Leave Management System with admin access, leave tracking, and multi-level approval workflows tailored to specific leave types.
- Implemented role-based access control aligned with the company's hierarchy, along with asynchronous job handling for user onboarding and permission assignments.
- Designed a scalable and maintainable system architecture supporting dynamic approval flows and company-specific policies.

Real-Time Communication

- Developed ConvoSpace, a real-time communication platform enabling personal and professional conversations within a unified application while maintaining clear separation between contexts.
- Implemented multi-device synchronization for seamless access across web and mobile, ensuring consistent messaging and collaboration in real-time.
- Designed a scalable and extensible system architecture comparable to WhatsApp, Teams, and Slack, supporting text, voice, and video communication for diverse user needs.

CERTIFICATES

- JavaScript — Guvi Geek Networks, — IIT Research Park [Jul '24]
- Advanced C Programming — Udemy [Dec '23]
- Python — Guvi Geek Networks, IIT Research Park [Sep '23]
- NPTEL Course on Cloud Computing [Apr '24]
- NPTEL Course on Soft Skill [Jul '23]
