

DEEPAK RAM M

B.Tech Information Technology

7094829242 deepak27ram@gmail.com , 727822tuit033@skct.edu.in

ABOUT ME

Motivated and detail-oriented IT professional with hands-on experience in developing and enhancing full-stack web applications. Skilled in Java, SQL, C++, and web technologies, Strong foundation in Data Structures and Algorithms and a passion for delivering seamless, scalable user experiences using modern technologies. Eager to contribute to a forward-thinking team and continuously grow by embracing emerging trends and industry best practices.

EDUCATION

2022 - 2026 **Sri Krishna College of Technology**

Bachelor of Technology – Information Technology – CGPA: 7.78 / 10

2021 - 2022 **SRV Boys Higher Secondary School**

Higher Secondary Education (12th Grade) – Percentage: 94 / 100

2019 - 2020 **The Gugai Higher Secondary School**

Secondary School Education (10th Grade) – Percentage: 86 / 100

PROJECTS

August 2024 **Eye Test and Specs Foundation**

Designed and developed a web-based platform for online eye testing and eyewear selection. Implemented responsive frontend interfaces and backend services to enhance user experience. Focused on delivering a seamless and user-friendly solution using modern web technologies.

2025 - Present **Online Payment Fraud Detection System** - Machine Learning Project

Developed a machine learning–based system to detect fraudulent online payment transactions using a large-scale simulated dataset. Performed data preprocessing, feature analysis, and model training to identify suspicious transaction patterns. Implemented and evaluated models to improve fraud detection accuracy while minimizing false positives. The project focused on real-world transaction behavior and scalable fraud detection techniques.

INTERNSHIPS

July 2024 **Full Stack Intern - Postulate InfoTech**

Worked on real-time full-stack web development projects with hands-on experience in frontend and backend technologies. Collaborated with team members to develop functional modules while following industry-standard development practices and workflows.

SKILLS

- Java
- Front-End
- SQL
- React . js
- C++ , C
- Spring Boot
- JavaScript
- Git
