BALAJI A

Aspiring AI / Machine Learning Engineer

1/546 MVS Nagar, Vennampatti, Dharmapuri District, Tamil Nadu - 636705 | 9790555227 | balajiarul984@gmail.com

CAREER OBJECTIVE

Final-year B.Tech (Information Technology) student with a strong interest in Artificial Intelligence and Machine Learning, seeking an entry-level opportunity to apply my knowledge of AI/ML algorithms, data analysis, and Python-based development. Eager to contribute to real-world AI-driven solutions while continuously building expertise in machine learning, deep learning, and data science through hands-on project and internship experience.

EDUCATION

B.Tech - Information Technology, Sengunthar Engineering College *2023 - 2027*

CGPA: 7.5 | Currently in Final Year

Higher Secondary, Paramveer Matric Hr Sec School

Marks: 354

TECHNICAL SKILLS

- Programming Languages: Python, Java (basics), SQL
- AI/ML: Machine Learning fundamentals, Supervised & Unsupervised Learning, Deep Learning basics, Neural Networks
- Libraries & Frameworks: NumPy, Pandas, Scikit-learn, TensorFlow / Keras (basics), Matplotlib
- Concepts: Data Preprocessing, Model Training & Evaluation, Natural Language Processing (basics)
- Tools: Jupyter Notebook, Google Colab, Git & GitHub, VS Code
- Other: MS Office, Basic Web Development (HTML, CSS)

PROJECTS

AI-Based Resume Screening System (Main Project)

- Built a machine learning model to automatically screen and rank resumes based on job description relevance using NLP techniques.
- Implemented text preprocessing, feature extraction (TF-IDF), and a classification model using Python and Scikit-learn.
- Improved shortlisting efficiency by automating keyword and skill matching between resumes and job postings.

Expense Tracker (Academic Project)

- Developed an application to record, categorize, and track daily/monthly expenses with a simple analytics summary.
- Used Python for backend logic and implemented basic data visualization to display spending patterns.

INTERNSHIP EXPERIENCE

Alfra Cognix, Bangalore - IT Intern *1 Month*

- Gained hands-on exposure to industry-level IT practices and real-time project workflows.
- Assisted the team with tasks related to software development and data handling under mentor guidance.
- Strengthened practical understanding of professional development environments and team collaboration.

PERSONAL DETAILS

- Father's Native Place: Same as residential address (Vennampatti, Dharmapuri District, Tamil Nadu)
- Languages Known: Tamil, English, Telugu
- Nationality: Indian
