PROFESSIONAL SUMMARY

Enthusiastic Information Technology graduate with hands-on experience in full stack web development and data analysis. Skilled in building responsive web applications using React.js, Angular, Node.js, and Express, with strong analytical capabilities in SQL, Excel, and data visualization. Proven ability to work with cloud-integrated systems, monitor performance, and translate raw data into actionable business insights. Seeking to leverage technical and analytical skills in a Web Development or Data Analyst role.

EDUCATION

B.Tech, Information Technology
Sengunthar Engineering College | 2023 – 2027
CGPA: 82.7

HSC
Vanmathi Matric Higher Secondary School | 2022 – 2023
Percentage: 74%

EXPERIENCE

Data Analyst Intern | Inventive Technologies
July 2026 – August 2026

- Analyzed structured datasets using SQL to extract trends and support data-driven business decisions.
- Built and maintained reports and dashboards to visualize key performance metrics for stakeholders.
- Performed data cleaning, validation, and transformation to ensure accuracy and consistency across datasets.
- Collaborated with cross-functional teams to translate business questions into actionable data insights.

Cloud-Integrated Full Stack Development Intern | Full Stack Development
2024 – 2025

- Developed and deployed full stack web applications using modern frameworks (React.js / Angular, Node.js, Express).
- Gained hands-on experience with cloud monitoring, logging, and security best practices.
- Built responsive, user-friendly interfaces following front-end and back-end development standards.

TECHNICAL SKILLS

- SQL
- NumPy
- Pandas
- Data Analysis
- Data Visualization
- Excel
- ETL
- Powerbi

PROJECTS

E-Commerce Sales Dashboard | *Power BI, DAX, Business Intelligence, KPI Reporting*

- Designed an interactive Power BI dashboard with KPIs, slicers, maps, and trend charts to monitor sales, profit margins, and regional revenue distribution.
- Implemented DAX measures and calculated columns enabling real-time reporting and automated monthly revenue analysis for management review.
