Summary

Final-year B.Tech Information Technology student with hands-on experience in Python, Java, SQL and machine learning workflows (data preprocessing, model training), plus full-stack (MERN) development. Completed AI/ML and Advanced Java internships and built multiple data-driven AI projects. Seeking a Cloud Data Engineer role at HCL to build scalable data pipelines and cloud data solutions.

Education

Nandha Engineering College Expected 2027
B.Tech in Information Technology (4th Year)

Internship Experience

AI/ML Intern 14 Days
TechForge *Salem, India*

- Worked on machine learning models and AI-based applications, gaining hands-on experience in **data preprocessing, model training** and basic algorithm implementation.

Advanced Java Intern 14 Days
Emglitz Technologies *Coimbatore, India*

- Worked on Java-based simulation projects with exposure to **servlet development and backend integration**.

Projects

- **Smart Resume & Job Matching System** *AI · ML · Data Matching*
  Recommends jobs based on resume input.
- **AI-Powered Sports Talent Assessment (Smart India Hackathon)** *AI · ML*
  Hackathon project leveraging AI for sports evaluation.
- **MindScope** *AI · ML*
  AI-based mental health analysis system.
- **Wellora: Mental Health AI Assistant** *Application*
  Mental health AI assistant application.
- **SmartBot** *Conversational AI*
  Conversational chatbot.
- **Speech-to-Speech Translator** *ML · In Progress*
  Real-time multilingual translation using machine learning.
- **IoT Smart Pill Reminder & Medicine Box** *IoT · In Progress*
  IoT hardware for medicine tracking and dosage alerts.

Skills

- **Languages & Databases:** Python, SQL, Java, JavaScript, HTML, CSS
- **Data & ML:** Machine Learning, Data Preprocessing, Model Training, Power BI (Basics)
- **Web & Tools:** React, Node.js, Git, VS Code, Figma, MS Office
- **Soft Skills:** Communication, Problem-solving, Teamwork, Analytical Thinking

Certifications

- NPTEL: Cyber Security and Privacy (**Topper, Elite + Silver**); Design and Implementation of Human Computer Interface; Privacy and Security in Online Social Media
- Infosys Springboard: AI Primer Certification; Artificial Intelligence Foundation Certification

Participation & Events

- Blockathon, CIT Coimbatore; Innovation Day project presentation, NEC Erode; Project presentation, KEC Erode
- Workshop on Data Science, MIT Chennai; Pragati: Path to Future – Cohort 3 (Infosys Springboard)
