SUMMARY

Final-year B.Tech Information Technology student passionate about software development, AI, and innovative technologies. Enjoys learning new things, exploring emerging technologies, and expanding knowledge through hands-on projects. Eager to contribute, collaborate, and grow in a dynamic environment.

INTERNSHIP EXPERIENCE

AI & ML Intern - 14 Days
Techforge, Salem, India
• Worked on machine learning models and AI-based applications, gaining hands-on experience in **data preprocessing, model training** and basic algorithm implementation.

Advanced Java Intern - 14 Days
Emglitz Technologies, Coimbatore, India
• Worked on Java-based projects with exposure to **servlet development and backend integration**.

PROJECTS

• **AI Resume Analyzer & Job Matching System** *AI-ML, Data Matching*
Analyzes resumes and suggests suitable job roles based on skills.
• **MindScope – AI-Based Mental Health Detection** *AI-ML*
Identifies emotional states from user input and provides supportive suggestions.
• **AI-Based Sports Talent Assessment** *AI-ML*
Evaluates player performance data to identify potential talent.
• **AI Cost Calculator** *AI-ML*
Estimates project costs based on given requirements and inputs.
• **IoT Based Pill Reminder & Medicine Box** *IoT-In Progress*
IoT hardware for medicine tracking and dosage alerts.
• **SilentComm (Hardware)** *AI -IoT*
EMG-based HealthTech startup enabling silent communication using AI-driven signal processing.

SKILLS

• **Programming:** Java, Python, JavaScript, HTML, CSS, MySQL
• **AI & Web Tools:** AI &ML**,** React, Node, AI Prompt Design
• **Tools & Platforms:** Canva, Power BI , Figma, MS Applications, VS Code.
• **Soft Skills:** Communication, Problem-solving, Teamwork, Time Management

EDUCATION

Nandha Engineering College 2023 – 2027
B.Tech in Information Technology (Final Year) | CGPA: 8.6

Vedhha Vikass Matric Hr. Sec. School 2022 – 2023
HSC – 83%

CERTIFICATIONS

• ***NPTEL***: Privacy and Security in Online Social Media **(Elite)**; Design and Implementation of Human Computer Interface; Cyber Security and Privacy.
• ***Infosys Springboard****:* AI Primer Certification.

PARTICIPATION & EVENTS

• Participated in Blockathon, CIT Coimbatore
• Presented Project presentation at Innovation Day, NEC Erode
• Participated in 36Hr Hackathon, SRM Chennai
• **Winner** in 36Hr Hackathon, PEC Chennai

LANGUAGES

Tamil, English
