CAREER OBJECTIVE

Final Year Electronics and Communication Engineering Undergraduate with a strong interest in Embedded Hardware, IoT, and Electronics. Quick learner with strong analytical, problem-solving, and critical thinking skills. Passionate about developing innovative technology solutions and enhancing technical expertise through projects, research, and competitions

EDUCATION

Erode Sengunthar Engineering College | Erode, Tamil Nadu **2023 - 27**
Bachelor of Engineering - Electronics and Communication Engineering
CGPA: 8.25

Nanjappa Municipal Boys Higher Secondary School | Tiruppur, Tamil Nadu **2022 - 23**
Higher Secondary Certificate (HSC) Percentage: 66.3%

TECHNICAL SKILLS

- Electronics, IoT and Embedded Hardware
- Beginner - PCB Design
- Quality Inspector - Auditing, MS office, Data Entry, PDI, ECU (Data Flashing)
- Banner, Brochure, Newsletter Design - Canvas

PROJECT

REAL-TIME DISTRIBUTION LINE BREAKAGE DETECTION WITH AUTOMATIC POWER ISOLATION USING LORA
Developed a smart power distribution monitoring and protection system for real-time fault detection, fault localization, and selective power isolation in distribution feeder lines. The system enables rapid identification of distribution-line abnormalities and automatically isolates the affected section while maintaining power supply to healthy sections. Integrated remote monitoring and real-time alert mechanisms to support faster maintenance, improved public safety, reduced outage duration, and enhanced reliability of power distribution networks.

INTERNSHIP / IN PLANT TRAINING

- Embedded Systems Intern – SAN Technovation, Perundurai, Erode
- Quality Inspector - Crown Inspection and Engineering Services India Pvt ltd via Ashok leyland in worked has Quality Inspector Roles Inspection, Auditing, Data Entry, MS Excel, ECU (Data Flashing), PDI & Kit Dispatch Area

CERTIFICATIONS

- NPTEL – Introduction to Internet of Things (Elite) - 69%
- NPTEL - Introduction to Machine Learning - 57%
- Arduino Workshop, iExplore Foundation - Erode Sengunthar Engineering College
- Drone Design and Development Workshop - Erode Sengunthar Engineering College
- Fundamentals of Robotics - Zeekers Employment Pvt. Ltd

ACHIEVEMENTS & PUBLICATION

- Chapter Published in IIP Series edited book “Advances in Electronics and Communication Systems – Volume 6 (2026)”
- First Prize – Project Expo, EKNA’25 (National Level Techno-Cultural Fest), Anna University Regional Campus, Coimbatore.
- Second Prize – Project Presentation, Prathiyogitha Volume 2 Techfest (IEEE ComSoc), Kongu Engineering College, Erode.
- Second Prize – INNOVERSE Hackathon (Project Presentation), GCT IEEE Student Branch, Coimbatore.
- Encouragement Award – National Level Hackathon, Innovation Challenges 2025, Xavier Institute for Research & Development, Kerala & Tirunelveli.
- First Prize – Project Presentation, TECHFEST 2025, KPR Institute of Engineering and Technology, Coimbatore.
- First Prize – Project Presentation, SZIKRA’26, Jai Shriram Engineering College, Tiruppur.
- Finalist - Who is Next G.D.N Contest Organized by Dina Thanthi & GDN Team.
