VENGATESH M

Aspiring Digital Forensics & Data Analysis Professional

Kokkarayanpettai, Tamil Nadu | +91 73393 88819 | LinkedIn Profile

CAREER OBJECTIVE

Fresher with hands-on internship exposure to defensive security, incident response, and forensic investigation tools, complemented by strong data analysis and visualization skills (Excel, Power BI). Also skilled in digital marketing, social media content, ad creative ideas, and page management. Seeking an entry-level role in Digital Forensics or Data Analysis to apply technical training, analytical thinking, and a published research background to real-world security and data challenges.

INTERNSHIP EXPERIENCE

Defensive Security Intern — Sky Lena Info Tech Pvt Ltd, Coimbatore *15 Days*

- Gained practical exposure to defensive security operations, including monitoring, threat detection concepts, and security best practices.
- Worked with industry-relevant tools and methodologies used in proactive cyber defense.

EDR & Incident Response Intern — Shield Pvt Ltd, Erode *15 Days*

- Assisted in Endpoint Detection and Response (EDR) processes and incident response workflows.
- Learned to identify, analyze, and document security incidents using forensic investigation techniques.

UI/UX Design Intern — ETS Academy, Erode

- Learned UI/UX design fundamentals including wireframing, prototyping, and user-centric design principles.
- Applied design thinking to create simple, functional interface layouts.

PROJECTS

Website Vulnerability Scanner

- Built a tool to identify common web application vulnerabilities, supporting proactive security assessment.

Peer-to-Peer Agriculture Platform

- Developed a peer-to-peer platform concept to connect stakeholders in the agriculture sector directly.

Published Research Paper

- "Attribute-Based Keyword Search Encryption for Secure Cloud Data Access" — explored encryption techniques enabling secure, attribute-controlled keyword search over encrypted cloud data.

EDUCATION

B.E. Computer Science & Engineering (Cyber Security) *2022 – 2026*
Nandha Engineering College, Vaikamedu

HSC (Higher Secondary) *2022*
SKV HR Sec School

SSLC *2020*
SKV Matriculation Higher Secondary School, Kandhampalayam

SKILLS

Digital Forensics Tools: FTK Imager, DroidKit, Autopsy, Magnet AXIOM Cyber

Data & Productivity Tools: Microsoft Excel, Power BI, Tabula, PowerPoint, LibreOffice
