PROFESSIONAL SUMMARY

Results-driven **Accounts Payable Specialist** with **1 year 6 months** of full-time experience at Mahendra Next Wealth IT India Pvt. Ltd., plus 4 months of part-time billing exposure during undergraduate studies — **2+ years combined accounts/billing experience**. Processes **2,000+ invoices monthly at 99% accuracy** using SAP ERP. Skilled in **2/3/4-way invoice matching, vendor reconciliation, SLA management and audit support** — with a proven record of **zero major audit findings** and proactive overpayment prevention.

WORK EXPERIENCE

Accounts Payable Specialist

May 2024 – Present

Mahendra Next Wealth IT India Pvt. Ltd. | Salem, TN • Total Experience: 1 Year 6 Months

- Processed **2,000+ invoices monthly** (PO & non-PO) with **99% accuracy**, reducing payment delays and vendor escalations.
- Executed end-to-end **2-way, 3-way and 4-way invoice matching** via SAP ERP — proficient in **10+ T-Codes** including MIRO, FB60, FBL1N, MR8M, ME23N.
- Managed **vendor reconciliations**; partnered with procurement teams to resolve blocked invoices and discrepancies proactively.
- Flagged duplicate invoices — **directly prevented overpayments** and strengthened AP financial controls.
- Supported month-end close with timely ledger entries and **MIS reports** delivered within SLA deadlines.
- Partnered with internal and external audit teams, contributing to **zero major audit observations** across all review cycles.
- Trained **2 junior interns** on SAP navigation and AP best practices, cutting onboarding time by **~30%**.

Billing & Accounts Assistant (Part-Time)

4 Months, during UG

Departmental Store | Salem, TN

- Managed daily billing, POS operations and cash/stock reconciliation in a fast-paced retail setting.
- Resolved customer billing queries with accuracy, ensuring smooth, error-free transactions.

KEY ACHIEVEMENTS

- Identified duplicate invoices in the AP pipeline — **prevented overpayments** and protected company finances.
- Trained **2 interns** on end-to-end invoice verification and SAP, significantly accelerating team capacity.
- Sustained **99% processing accuracy** over 1 year 6 months — exceeded SLA targets every single month.

EXCEL PROFICIENCY

Comfortable with a wide range of **Excel functions** including **VLOOKUP, AVERAGE, Dropdown/IF, MAX, MIN, COUNT/COUNTIF, SUM/SUMIF/SUMIFS, CONCATENATE, Pivot Tables, sorting, filtering and conditional formatting**.
