B.Tech Agricultural Engineering Undergraduate | Fresher

kavidharshinip75@gmail.com +91 9360936836 Pallipalayam,Erode

CAREER OBJECTIVE

A dedicated Agricultural Engineering student seeking internship and employment opportunities to gain practical experience in farm machinery, irrigation, post-harvest technology, and precision agriculture while contributing to organizational success through hard work and continuous learning.

EDUCATION

B.Tech in Agricultural Engineering **2023-2027(Pursuing)**
Nandha Engineering College, Erode | **CGPA: 8.103 / 10** (upto 6th semester)
Higher Secondary - 12th Standard **2022-2023**
Government Model Higher Secondary School, Erode | Board: State Board | **Percentage:69.00%**

ACADEMIC PROJECT

- A Natural Insecticide Management in Grains Storage | *patent Filed*
- Design and Development of Small-Scale Graphite Furnace

INTERNSHIP / INDUSTRIAL EXPOSURE

Internship 1:Hykrops – Industrial Training (Jan 2025); Gained hands-on experience in protected cultivation, hydroponics, and precision farming technologies. Learned smart irrigation techniques, crop monitoring, and modern greenhouse management practices**.**
Internship 2: Sakthi Sugars Limited – Industrial Training (Jun–Jul 2025); Acquired practical knowledge of sugar manufacturing processes, quality control procedures, and industrial safety standards. Observed cane processing, production operations, and by-product utilization
Internship 3: Sellas Agro Industry– Technical Training (Dec 2025-Jan 2026); Developed practical skills in agricultural machinery manufacturing, equipment assembly, and maintenance. Gained exposure to production processes, quality inspection, and workplace safety practices.

TECHNICAL SKILLS / SOFT SKILLS

Technical Skills: Major Irrigation Systems, Farm Mechanization, Renewable Energy (Biogas, Biomass & Solar Energy), Agricultural Processing Engineering, Dairy Processing Engineering, Post-Harvest Technology, Soil & Water Conservation Engineering,
Soft Skills: Basic AutoCAD, MS Office, Communication, Leadership.

ACHIEVEMENTS & PUBLICATIONS

Paper Presentation - Ist Prize at **Government College of Engineering (IRTT), Erode** for presenting an innovative technical topic.
Paper Presentation - Ist Prize at **Sasurie College of Engineering**, showcasing technical knowledge and presentation skills.
Published Article - A Study on Combine Harvester Buying Scheme Under SMAM.
Patent Filed - A Natural Insecticide Management in Grains Storage.

LANGUAGES KNOWN

Tamil, English and Hindi.
