UDHAYARASI K

Full-Stack Developer

udhayarasi07@gmail.com | 7548852915 | linkedin.com/in/udhayarasi-k-69b3b7291 | github.com/udhayarasi7

PROFILE

Aspiring Full-Stack Developer and Computer Science graduate with hands-on experience building scalable web applications using React, Node.js, and MongoDB. Proven ability to design secure RESTful APIs and intuitive UI/UX interfaces. Seeking to leverage technical proficiency and problem-solving skills to deliver high-impact software solutions.

SKILLS

Machine Learning, JavaScript, Express.js, MongoDB, React.js, Node.js, Pandas, NumPy, MySQL, Python, Figma, HTML, Java, CSS, C

PROJECTS

SportsHub – Sports Event Management Platform *Full-Stack Developer*

- Built a full-stack platform enabling users to discover sports events, register for tournaments, and connect with mentors.
- Implemented secure authentication and role-based access control to manage permissions across three distinct user roles.
- Delivered a scheduling and tracking module that allows participants to manage registrations and tournament timelines from a single dashboard.

EventEase – Ceremonial Service Platform *Full-Stack Developer*

- Developed a full-stack event management platform enabling users to explore vendors, plan ceremonies, and manage bookings end-to-end.
- Engineered real-time communication features between clients and vendors, reducing coordination steps during event planning.
- Designed an intuitive, UI/UX-driven booking flow that shortened the path from vendor discovery to confirmed booking.

EDUCATION

B.E., Computer Science and Design *2023 – 2027*

Kongu Engineering College | CGPA: 7.82 / 10

NOTABLE ACHIEVEMENTS

- Finalist in Department-Level Ideathon (2025) for innovative technical solution development.
- Awarded State-Level Kabaddi Bronze Medal (2026) for excellence in competitive team sports.
- Achieved 2x Second Prize in Centies Kabaddi Tournament (2024–2025), demonstrating consistent performance.

ACCOMPLISHMENTS & INVOLVEMENT

Joint Secretary, Computer Science and Design Association *2026 – Present*

- Coordinated association events and represented student interests to faculty.

Placement Coordinator, Department of Computer Science and Design *2025 – Present*

- Liaised between students and recruiters to organize and facilitate placement drives.

Executive Member, Computer Science and Design Association *2025 – 2026*

- Supported the planning and execution of department events and activities.

Newsletter Team Member, Computer Science and Design Association *2024 – 2025*

- Contributed content and design for the department newsletter.

Captain, College Kabaddi Team *2026 – Present*

- Led team strategy and represented the college at inter-collegiate tournaments.
