padmeshs073@gmail.com

Tiruchengode, TamilNadu, India

SKILLS

- DevOps Cloud
- Core Python, HTML, CSS
- SQL, RDBMS Concepts, ADSA Python

AWARDS

- WON **First Place in a Short Film** competition at SRM College Of Technology.

STRENGTHS

- Fast learner
- Self motivated
- Enthusiastic

HOBBIES

- Explorer
- Traveling
- Cooking

PROFILE

Seeking a challenging and rewarding role as a DevOps Engineer where my strong foundation in development and operations, proficiency in CI/CD pipelines, containerization, and automation can be leveraged to design, implement, and manage scalable, reliable, and secure production systems. I am a fast learner, enthusiastic, and willing to embrace new technologies.

EXPERIENCE (Internships/Training)

Full stack developer

ALTITUDES, Coimbatore

Internship - Full Stack Python Development

Successfully completed internship training focused on **FULL STACK PYTHON DEVELOPMENT** using Python.

Trainee

Qspider, Jun 2025 to Completed

DevOps Certification

- Completed an offline course in DevOps

Certifications

- DevOps/Cloud: Completed online course on AWS (PrepInsta).
- Programming: Completed Certificate on PYTHON and HTML/CSS (PrepInsta Online).
- Technology: Completed Certificate on Internet Of Things (IOT) from Coimbatore.
- Soft Skills: Attended a workshop on Generative AI from SONA College Of Technology.

PADMESH S

DevOps & Full Stack Python Enthusiast

Padmesh-S

PROJICTS

- **CI/CD Pipeline Automation using Jenkins & Docker –** Built automated pipelines with GitHub integration, containerized applications using Docker, and deployed on Linux servers to streamline releases.
- **Kubernetes-Based Container Orchestration on AWS –** Deployed and managed containerized workloads using Kubernetes, YAML manifests, auto-scaling, and rolling updates for high availability.
- **Precision Automated Rotary Fabric Printing System (Final Year Project) -** Developed a hardware-based automated fabric printing system using STM32, servo motor, and image processing Improved printing accuracy, consistency, and productivity while reducing manual effort.

Personal details

- **Date of Birth:** 20th Jan 2004
- **Languages:** English, Tamil, and Japanese (Basics)
- PassPort No:AJ422152

Education

Qualification	Specialization	Institution	CGPA/%	Year of Passing
B.E	ECE	SNS College Of Technology, Coimbatore	8.00 CGPA	2025
HSLC (12th Grade)		SVM Higher Secondary School, Rasipuram	75%	2021
SSLC (10th Grade)		AKV Higher Secondary School, Mallasamudram	54.85%	2019
