OBJECTIVE

MSc Chemistry graduate seeking an entry-level opportunity in data analysis and reporting. Skilled in Microsoft Excel for data organization, analysis, and reporting. Strong analytical thinking, attention to detail, and problem-solving abilities developed through academic research and industrial exposure. Eager to build a career in data-driven decision-making.

EXPERIENCE

Feb 2024 -

- **Chess Coach**
  ENLIGHT CHESS ACADEMY
  Dedicated and results-driven Chess Coach with two years of experience developing tailored training programs for players ranging from beginners to competitive tournament competitors. Expert in diagnosing tactical weaknesses, building comprehensive opening repertoires, and teaching advanced endgame theory. Adept at leveraging modern chess technology to accelerate student growth and instill critical thinking, discipline, and competitive resilience.
  Applied systems thinking and algorithmic logic to design scalable, data-driven training frameworks for diverse users, translating complex theoretical principles into structured, executable strategies. Utilized game-database software and engine analytics to perform root-cause analysis on performance data, identifying critical behavioral patterns, logical anomalies, and systemic vulnerabilities.

EDUCATION

2024 - 2026

- **Mahendra Arts and Science College.**
  Master of Science, Department of Chemistry

2021 - 2024

- **Government Arts College**
  Bachelor of Science, Department of Chemistry
  72.5

May - 2021

- **SSRM Hr. Sec. School**
  HSC
  83.42

March - 2019

- **Modern Matric Hr. Sec. School**
  SSLC
  75.6

SKILLS

- Microsoft Excel
- Data Cleaning
- Conditional Formatting
- Pivot Tables
- Charts & Graphs
- Microsoft Word

ACTIVITIES

- Chess

LANGUAGES

- Tamil - Speak, Read and Write
- English - Speak, Read and Write
- Arabic - Read and Write
- Hindi - Read and Write

ADDITIONAL INFORMATION

Studying DATA ANALYTICS program in COURSERA to increase my Knowledge and skills, which may help me in various kind of positions in an industry.
