

PAVANEESWARAN E

Namakkal, Tamil Nadu | 6369508970 | pavaneeswaran54@gmail.com

CAREER OBJECTIVE

Motivated engineering student with a strong interest in software engineering, seeking an entry-level opportunity to apply knowledge of Java, object-oriented programming, and problem-solving skills. Eager to contribute as a Software Engineer while continuously enhancing technical expertise and contributing to organizational growth.

SKILLS

- Java Programming
- IOT
- Embedded Systems
- MySQL
- Problem Solving
- Communication Skills
- Teamwork
- Adaptability

EDUCATION

Bachelor of Engineering (ECE)
Kongunadu College of Engineering and Technology
2023 - 2027
CGPA: 6.74

Higher Secondary Certificate (HSC)
Little Angel Higher Secondary School, Namakkal
Percentage: 57%

INTERNSHIP EXPERIENCE

MySQL Intern | Futogen Technologies Private Limited, Salem — June 2025

- Designed normalized database schemas to maintain high data consistency.
- Wrote optimized SQL queries and improved system performance using indexing.
- Managed data migration and database user access protocols.
- Ensured data integrity to support data-driven decision-making.

ACADEMIC PROJECTS

RFID-Based Hazard Zone Entry Control System

- Implemented an RFID-based access control solution to restrict unauthorized entry into hazardous zones.
- Enhanced site safety and monitoring through automated entry management.

FPGA-Based Industrial Safety Monitoring System

- Designed an FPGA-based industrial safety monitoring system to detect hazardous conditions in real-time.
- Implemented automatic machinery shutdown and alert generation to enhance industrial safety and prevent accidents.
- Tools Used : Xilinx Vivado Software | Verilog HDL | FPGA Development Board

CERTIFICATIONS

- Java Programming Certification
- Introduction to Industry 4.0

EXTRA-CURRICULAR ACTIVITIES

- Actively practicing Java programming on online coding platforms.
- Possess video editing and photo editing skills.

CO-CURRICULAR ACTIVITIES

- Actively participated in technical workshops, seminars, and project presentation.
- Presented academic projects and technical ideas.
- Developed communication and professional skills through various events.

PROFESSIONAL SUMMARY

Software Engineer (Fresher) | Java | MySQL | Embedded Systems | Problem Solver
