Served as President of Club DataPirates, a technical club focused on promoting data literacy, problem-solving, and domain-based learning among students.

CASE STUDY

Started my Flutter career through **two paid internships**, gaining hands-on experience in Flutter, Firebase, REST APIs, and mobile app development. Later worked as a **Freelance Flutter Developer at NexGen Softwares for 5 months**, contributing to real-world client projects. I also completed a **paid Flutter internship at Aatmega Software Technologies LLP**, working on production-level applications, feature development, bug fixing, and performance improvements. **Currently seeking for full-time Developer opportunity with an expected salary of ₹3 LPA.**
