OBJECTIVE

Enthusiastic ECE student with an interest in software development and problem-solving. Through academic projects and internship, gained exposure to Java, MS SQL Server, HTML, and CSS. Looking to start my career in the IT industry and build practical experience while contributing to real-world projects and learning new technologies.

EDUCATION

Bachelor of Engineering (B.E.) **2023-2027**

Electronics and Communication Engineering CGPA : 8.97

Kongunadu College of Engineering and Technology

Higher Secondary School **2021-2023**

Our Lady of Lourdes Girls Hr.Sec.School Percentage : 84%

Secondary School **2020-2021**

Rabhidra Bharathi Matriculation School

PROJECTS

Driver Drowsiness Monitoring And Alert System

- Developed an ESP32-based system to monitor alcohol levels, temperature, and fire hazards in real time.
- Integrated Pi Camera and laptop camera for driver monitoring and eye/blink detection to identify drowsiness.
- Combined sensor data and camera-based monitoring to provide real-time alerts for unsafe driving conditions.

Components Used: ESP32, Alcohol Sensor, Flame Sensor, Temperature Sensor, Pi Camera,

AI Smart Vision For The Visually Impaired Users

- Developed an AI-based assistive system to support visually impaired users with real-time environmental awareness.
- Implemented object, face, eye, and text detection using computer vision and OCR with voice-based feedback.
- Integrated multilingual audio support, voice commands, distance estimation, and PDF/TXT document reading.

Technologies : Python, OpenCV, YOLOv8, PyTorch, BLIP, Tesseract OCR, TTS.

INTERNSHIP

Knila IT Solutions Pvt. Ltd. - MS SQL Intern - June 2025

- Completed an internship in MS SQL and Database Management, gaining practical knowledge of database.
- Gained hands-on experience in writing SQL queries, using joins, and retrieving and managing data.
- Worked with database tables and performed basic data management and database operations.

CERTIFICATIONS

- Java Programming - Yellowmatics (2024)
- PCB Design & Fabrication - Wizard Systems
- Nptel - Introduction to Industry 4.0 & IOT
- Japanese Language Proficiency Test - N4 & N5

SKILLS

Programming Language : Java | Web Technologies : HTML , CSS | Database : Ms SQL

HACKATHONS

- Health Data Information and Management System – Participated in a hackathon at VIT Vellore.
- Drowsy Driver Alert System – Participated in a hackathon at Kongu Engineering College, Erode.

LANGUAGES

Tamil | English | Japanese
