SUMMARY

Enthusiastic Computer Science and Engineering student with strong analytical thinking, problem-solving abilities, and a passion for leveraging technology to solve real-world challenges. Experienced in developing academic and personal projects while continuously expanding technical and professional skills. Seeking opportunities to contribute with creativity, adaptability, and dedication in a growth-oriented organization that values innovation and excellence.

EDUCATION

B.E., Computer Science and Engineering — Kongunadu College of Engineering and Technology, Trichy *2023 – 2027*
CGPA: 9.14

HSC — Bharathiyar Hi-tech International Senior Secondary School, Attur *2021-2022*
Percentage: 74.6%

SSLC — Bharathiyar Hi-tech International Senior Secondary School, Attur *2019 – 2020*
Percentage: 83.2%

SKILLS

Programming Languages: Java, Python
Web Technologies: HTML, CSS, JavaScript
Databases: SQL, MongoDB
AI / ML: Machine Learning fundamentals, Generative AI, Agentic AI, Gemini API, Prompt Engineering
Frameworks & Tools: Git/GitHub
Areas of Interest: Artificial Intelligence, Web Development
Soft Skills: Project Management, Teamwork, Time Management, Leadership, Effective Communication, Adaptability

EXPERIENCE

Full Stack Development Intern | Ideal Formatic Group of Companies, Salem

- Built end-to-end web application features by working across both frontend and backend layers in a real-world production environment.
- Implemented frontend and backend components together, strengthening full-stack development workflow and integration practices.
- Gained hands-on exposure to professional software development workflows, version control, and team collaboration processes.

Web Development Intern | Odugaa Tech, Salem

- Designed and developed multiple responsive web pages using modern HTML, CSS, and JavaScript, improving cross-device usability.
- Applied core website design and development fundamentals to deliver functional, project-based deliverables.
- Strengthened teamwork and problem-solving skills by collaborating on project-based learning assignments.

PROJECTS

Personalized AI Agent for Students | Python, Flask, Gemini API

- Developed an AI-powered student assistant that performs PDF summarization, question answering, and automated quiz generation.
- Integrated the Gemini API with a Flask backend to deliver real-time generative AI responses through a web interface.

AI-Based Air Pollution Monitoring and Prediction System | Python, Machine Learning

- Built a machine learning model to analyze environmental data and predict air pollution levels.
- Processed and trained on environmental datasets to generate predictive insights for air quality trends.

Hostel Issue Management System | HTML, CSS, JavaScript, MongoDB

- Developed a full hostel complaint management system enabling students to register, track, and resolve issues.
- Designed a MongoDB-backed data layer to support persistent issue tracking and status updates.

Customer Details Management System | HTML, CSS, JavaScript, MongoDB

- Built a customer management web application with full CRUD (Create, Read, Update, Delete) operations for efficient record management.

CERTIFICATIONS

- Principles of Generative AI Certification — Infosys
- Generative Models for Developers Certification — Infosys
- Introduction to OpenAI GPT Models Certification — Infosys
- OpenAI Generative Pre-Trained Transformer 3 (GPT-3) for Developers Certificate — Infosys
- Agentic AI and Generative AI Course Completion Certificate (3-month program with project completion)
- NPTEL Certifications: Software Testing, Internet of Things, Data Analytics with Python, Introduction to Machine Learning
- Value-Added Course: Cyber Security (with certification)
- Value-Added Course: Core Java (with certification)

ACHIEVEMENTS

- Shortlisted Participant, VIT Hackathon.
- Participated in multiple hackathons and technical competitions.
- Presented papers on various ideas and projects at inter-college symposiums.
- Participated in project expos and technical events.

LEADERSHIP & CO-CURRICULAR ACTIVITIES

- Treasurer, CELESTA
- Member, Computer Society of India (CSI)
- Member, Indian Society for Technical Education (ISTE)
- Member, Multimedia Club
