PROFESSIONAL SUMMARY

Enthusiastic Computer Science and Engineering student with foundational knowledge in Java, Web Designing, UI/UX, Cybersecurity, Networking, Cloud Computing, Artificial Intelligence, Generative AI, and IoT. Strong English communicator with experience in team leadership, project coordination, public speaking, and Master of Ceremony activities. Participated in the CATCH Communication Contest for three consecutive years and reached the finals. Seeking an entry-level opportunity to apply technical knowledge, build practical skills, and contribute to a technology-driven organization.

EDUCATION

Bachelor of Engineering — Computer Science and Engineering
Mahendra College of Engineering, Salem | 2023–2027 | CGPA: 7.0/10

Higher Secondary Certificate — 67.66% | 2021

Secondary School Leaving Certificate — 79.36% | 2023

TECHNICAL SKILLS

Programming: Java — Basic
Web Development: HTML, CSS, Basic Web Designing
UI/UX: UI/UX Fundamentals
Cybersecurity: Cybersecurity Fundamentals, Ethical Hacking Fundamentals
Networking: Network Fundamentals
Cloud: Cloud Computing Fundamentals
Artificial Intelligence: AI & Generative AI Fundamentals
IoT: IoT & Communication Fundamentals
Content: Technical Content Writing
Tools: GitHub, Microsoft Office

PROJECT

Generative AI Content Assistant — Mini Project

- Developed a mini project concept using Generative AI to assist users in generating and refining content based on prompts.
- Focused on prompt-based content generation, idea suggestions, and simple text refinement for improved productivity.
- Applied foundational knowledge of AI and Generative AI while documenting the project workflow and outcomes.

INTERNSHIP

Techforge Solutions — AI & Machine Learning Intern

- Gained exposure to fundamental Artificial Intelligence and Machine Learning concepts and their practical applications.
- Worked on learning activities involving data, AI/ML workflows, and introductory model-based problem solving.
- Improved understanding of industry-oriented AI & ML practices through guided tasks, technical learning, and project exposure.

CERTIFICATIONS & PROFESSIONAL LEARNING

Infosys Springboard — Cybersecurity; IoT & Communication; Network Fundamentals; Generative AI; Cloud Computing
Edunet — Green Skills; Artificial Intelligence
TNSkills — Cybersecurity; Ethical Hacking

Oracle - Oracle Cloud Infrastructure 2025 Certified Foundations Associate

LEADERSHIP EXPERIENCE

Team Leader — Academic Projects

- Led student project teams and coordinated tasks among team members.
- Distributed responsibilities and monitored project progress.
- Participated in project presentations and demonstrations.
- Supported effective communication and collaboration within the team.

Master of Ceremony (MOC)

- Regularly performed MOC responsibilities during college events.
- Developed public speaking, stage confidence, and audience engagement skills.
- Coordinated event proceedings and communicated effectively with participants.

ACHIEVEMENTS & ACTIVITIES

CATCH Communication Contest — Participated continuously for 3 years and reached the finals, demonstrating strong communication, confidence, presentation, and competitive abilities.

Technical Workshop — K.S.R. College — Participated in a technical workshop and gained exposure to technical and industry-oriented concepts.

CORE STRENGTHS

Communication | Team Leadership | Public Speaking | Presentation | Teamwork | Problem Solving | Adaptability | Technical Content Writing

LANGUAGES

English — Very Good | Tamil — Fluent | Kannada — Conversational | Hindi — Conversational

CAREER INTERESTS

Software Development | Web Development | Cybersecurity | Cloud Computing | Artificial Intelligence | Generative AI | UI/UX
