NIRMALA J

Computer Science Graduate | Aspiring Software Developer

7010392332 | nirmalacs2006@gmail.com | Salem, Tamil Nadu

CAREER OBJECTIVE

Recent Computer Science graduate seeking an entry-level opportunity in software development and technical roles where I can apply my Python, MySQL, problem-solving and technical skills while learning and contributing to real-world projects.

EDUCATION

B.Sc. Computer Science (2023-2026)
Bharathiyar Arts & Science College for Women — 87%

HSC (2023)
Bharathiyar Matric Higher Secondary School — 88%

SSLC (2021)
Bharathiyar Matric Higher Secondary School

TECHNICAL SKILLS

Programming: Python
Database: MySQL
Web Technologies: HTML, CSS, JavaScript
Tools: MS Office

INTERNSHIP EXPERIENCE

Python Programming Virtual Intern
Optimus Technocrates Pvt. Ltd., Salem
June 2025 – July 2025

- Learned Python fundamentals and core programming concepts.
- Gained knowledge of conditional statements, loops, functions, data structures, and OOP concepts.
- Practiced writing clean, efficient, and reusable Python programs.
- Built a foundation in problem-solving and logical programming using Python.

PROJECT

Secure Data Hiding Using BPCS Steganography and AES

- Developed a secure data-hiding approach using BPCS steganography and AES encryption.
- Implemented AES encryption to encrypt the secret message before embedding it into a digital medium.
- Applied BPCS steganography to hide encrypted data within image/video media.
- Performed corresponding data extraction and decryption process to recover the original message.
- Focused on secure data handling while maintaining the usability of the media file.

ACHIEVEMENT

Winner – Java Debugging Competition - College Level

- Demonstrated logical analysis and problem-solving skills by identifying and resolving errors in Java programs.

SOFT SKILLS & LANGUAGES

Soft Skills: Problem-Solving, Logical Thinking**,** Quick Learner, Adaptability, Multitasking
Languages: English, Tamil
