DHARSHAN C

Master of Computer Application (MCA)
dharshanhurshwaran@gmail.com | +91 9025269167 | linkedin.com/in/dharshan-dharshan-711a36291

CAREER OBJECTIVE

To succeed in an environment of growth and excellence, develop my technical and professional skills, achieve job satisfaction, and contribute to organizational goals through continuous learning and self-development.

EDUCATION

Master of Computer Application (MCA) Pursuing
Dr. SNS Rajalakshmi College of Arts and Science

Bachelor of Computer Application (BCA)
K.S. Rangasamy College of Arts and Science (Autonomous) | Percentage: 65%

Higher Secondary (HSLC)
Shri Ramachandira Matric Higher Secondary School | Percentage: 52%

Secondary School (SSLC)
Shri Ramachandira Matric Higher Secondary School | Percentage: 71%

Diploma of Computer Application (DCA) Extra Course

TECHNICAL SKILLS

Web Development: HTML, Responsive Web Design, Front-End Web Development
Tools: GitHub / VS Code, MS PowerPoint

INTERNSHIPS

Pro Z Solutions - Web Development 15 Days
- Worked on a project involving the development and design of user interfaces.
- Gained practical exposure to UI design and user experience enhancement.
- Improved understanding of user interface development through project-based learning.
- Received a certificate upon successful completion of the internship.

WAY 2 ME - Cloud Computing 30 Days
- Gained practical exposure to Cloud Computing and cloud technologies.
- Learned about cloud-based applications and industry practices.
- Developed hands-on knowledge through practical training and project-based learning.
- Strengthened understanding of real-world cloud technology applications through mentor-guided activities.

PROJECTS

Animal Monitoring System with Alert System Using Artificial Intelligence
- Developed an AI-based model for real-time animal monitoring.
- Detected and classified various animals in real-time.
- Monitored animal behavior to identify unusual activities.
- Implemented an alert mechanism to deliver timely notifications through SMS and email.

COURSES AND WORKSHOPS

- Attended a one-day workshop on AR/VR at KPR Institute of Engineering and Technology.
- Learned about creating immersive experiences using AR/VR concepts.
- Attended a one-day workshop on Graph using LabVIEW at KPR Institute of Engineering and Technology.

AREAS OF INTEREST

Web Development | Cloud Computing | Data Analytics | Full Stack Development

SOFT SKILLS

Oral, Verbal and Written Communication | Teamwork and Collaboration | Problem Solving | Leadership | Patience

DECLARATION

I hereby declare that all the information provided above is accurate and true to the best of my knowledge and belief.
