DHANASEKAR S

Namakkal, Tamil Nadu | 8072481837 | tharunsenthil1406@gmail.com | linkedin.com/in/dhanasekar-s-4a6159293

CAREER OBJECTIVE

Motivated Electronics and Communication Engineering student seeking an opportunity to apply and strengthen my knowledge of digital systems, Verilog-based hardware design, and embedded/IoT technologies in a professional environment.Eager to contribute to real-world projects, build practical, hands-on experience through internships and collaborative teamwork, and continuously develop technical and problem-solving skills.

EDUCATION

B.E. Electronics and Communication Engineering

KSR Institute of Engineering and Technology | 2023 - 2027 | CGPA: 7.13

TECHNICAL SKILLS

- **VLSI:** Verilog HDL, Combinational & Sequential Circuits, Simulation, Verification
- **Technical :** python
- **Embedded Systems:** Embedded C, ESP32, Microcontroller Programming, Sensor Interfacing
- **Tools:** MATLAB, EDA Playground

SOFT SKILLS

• Active Listening • Team Collaboration • Motivating Others • Self-Confidence

INTERNSHIP

Livestream Technologies | Coimbatore — July 2024

- Gained hands-on exposure to debugging and testing embedded/digital logic modules.
- Collaborated with the engineering team to understand end-to-end product development workflows.

Kio Tech | Erode — June 2025

- Worked on IoT-based embedded systems involving sensor integration and microcontroller programming.
- Assisted in testing and troubleshooting hardware modules for real-time applications.

PROJECT

Intelligent Fire Fighting Robot using IoT

- Integrated flame sensors, motor drivers, and wireless communication modules for autonomous navigation and fire suppression.
- Implemented remote monitoring and real-time alert features to enhance emergency response and reduce human intervention.

Vehicle Number Plate Detection using ESP32-CAM

- Integrated ESP32-CAM with embedded programming to identify and monitor vehicle registration plates automatically.
- Implemented wireless image transmission and automated number plate recognition using camera-based detection techniques.

CERTIFICATE

- Attended a 3D Printing workshop at Kongu College of Engineering.

LANGUAGES

• Tamil • English • Kannada (Speak, Listen)
