Profile

Aspiring Computer Science Engineering student proficient in Java, C, Python, SQL, and web technologies. Possess hands-on experience in developing web applications through academic projects. A quick learner with problem-solving abilities, seeking to begin a career in the software industry where I can apply my technical knowledge, contribute effectively to organizational goals.

Education

B.E Computer Science and Engineering 2023–2027
Sri Shanmugha College of Engineering and Technology
CGPA: 8.3

Higher Secondary Certificate (HSC) 2022–2023
Government Girls Higher Secondary School, Sankari
Percentage: 87%

Technical Skills

- **Programming Languages:** Java, C, Python, SQL
- **Web Technologies:** HTML, CSS, JavaScript, React.js, Node.js.
- **Core Skills:** Problem Solving, Logical Thinking, Teamwork
- **Tools:** VS Code, Git, Github

Projects

Industrial Project Tracker

- Built a multi-role MERN application with JWT authentication and role-based access control for Government, Manager, Employee, and Company users.
- Developed RESTful APIs using Express.js and designed MongoDB schemas with Mongoose and implemented a multi-stage bill approval workflow with protected routes via Axios interceptors.

Personal Portfolio Website

- Developed a portfolio website using HTML5, CSS3 with semantic design, interactive navigation and dynamic content rendering.
- Implemented CSS Flexbox and Grid layouts to provide a consistent and responsive user interface across different screen sizes.

Expense Tracker Website

- Developed a full-stack MERN-based expense management application to manage expense records through CRUD operations using RESTful APIs and MySQL with Express.js for backend logic and structured schema design for reliable data persistence.
- Built a React.js Single Page Application (SPA) and integrated frontend-backend communication using Axios for dynamic data rendering and seamless user interaction.

Certifications

- **Cloud Computing** – NPTEL
- **Introduction to Machine Learning** – NPTEL
- **EduSkills Tech Camp** – Technology Skill Development Program
