SRIVARSHAN S

B.Tech Information Technology Student | Aspiring Software & IT Professional

+91 8189842591 | srivarshan668@gmail.com | Tiruchirappalli, Tamil Nadu | linkedin.com/in/srivarshan-senthilkumar

PROFESSIONAL SUMMARY

Information Technology student with strong knowledge of programming, web development, and database management. Skilled in Java, Python, C, HTML, CSS, JavaScript, and SQL, with hands-on experience in Full Stack Development and academic projects. Seeking opportunities to apply technical skills, solve real-world problems, and grow as an IT professional.

TECHNICAL SKILLS

Programming: Java, Python, C, Embedded C | **Web Technologies:** HTML, CSS, JavaScript, PHP | **Database:** SQL, MySQL
Technologies: AI & ML (Python), Full Stack Development | **Tools/Concepts:** Database Connectivity, Problem Solving, Debugging

PROJECT EXPERIENCE

Mindease: AI-Powered Mental Health Chatbot 2024 - 2025

- Developed an AI-powered chatbot designed to provide accessible, real-time emotional support and assist in early identification of mental health concerns.
- Designed features for personalized guidance, continuous monitoring, and timely intervention recommendations.
- Technologies Used: HTML, CSS, JavaScript, PHP, MySQL, and AI & ML using Python.

Touch & Tell Voice Assistance for Immobile Patients 2025-2026

- Developed an AI-based assistance system enabling immobile patients to communicate their needs and control basic functions using touch and voice commands.
- Focused on improving accessibility, independence, and communication support for patients with mobility limitations.
- Technology Used: Embedded C.

INTERNSHIP / TRAINING

Full Stack Development Training (15 DAYS) *e-Soft IT Solution*

- Gained practical exposure to web and full stack development concepts through hands-on training.
- Worked with front-end technologies, application development concepts, and database connectivity.
- Strengthened problem-solving and debugging skills through project-based development activities.

EDUCATIONAL QUALIFICATION

Bachelor of Information Technology - Kongunadu College of Engineering and Technology	CGPA: 5.9 Pursuing	2023–2027
Diploma in Automobile Engineering - Kongunadu Polytechnic College, Trichy	Percentage: 78%	2021-2024
SSLC - AK.K.V Aarunadu Matric. Higher Secondary School, Trichy		2020-2021

ACTIVITIES & ACHIEVEMENTS

- Published a paper titled “Touch & Tell Voice Assistance for Immobile Patients” in the International Journal of Information and Electronics Engineering (2026).
- Participated in hackathons, including the E-YUVA Hackathon and an event at New Prince Shri Bhavani College of Engineering & Technology.
- Participated in a paper presentation at Ganamani College of Technology and a project expo at Karpagam College of Engineering.
- Active member of ISTE and involved in real-time academic project development.

CERTIFICATIONS

- Certified in Java – Spring Board
- Certified in Python – e-Soft IT Solution
- Front End Web Developer Program – Infosys
- Completed NPTEL Course in Internet of Things

SOFT SKILLS

- Communication • Leadership • Time Management • Problem Solving • Continuous Learning
