Professional Experience

Senior HR Executive Sep 2022 – Present

Sulekha.com

- Lead full-cycle recruiting for Technology, Product, Digital Marketing, Customer Success, Sales, and Corporate functions, managing an average requisition load across multiple business units simultaneously.
- Partner directly with Business Heads and Hiring Managers to translate workforce plans into hiring roadmaps, aligning headcount decisions with organizational priorities, budget, and hiring strategy.
- Built and manage a multi-channel sourcing pipeline through Naukri, LinkedIn Recruiter, referrals, social media, and internal database, improving quality of shortlists and supporting top-of-funnel hiring needs.
- Publish recruitment dashboards covering TAT, ageing, source effectiveness, and hiring funnel data to leadership, enabling data-backed hiring decisions and executive communication.
- Conduct first-level HR screening to assess technical fit, behavioural competencies, and cultural alignment before panel rounds, improving overall interview-to-offer conversion.
- Own salary negotiation, offer rollout, and offer-to-joining conversion, working closely with Finance and business stakeholders to close offers within approved bands.
- Drive onboarding, induction, employee engagement, and first-level grievance handling, contributing to improved new-hire retention and candidate experience.

- Collaborate with HRBP and business leadership on initiatives to improve hiring quality and overall employee experience.

HR Executive Feb 2022 – Sep 2022
One Point One Solutions

- Managed high-volume searches and large-scale bulk hiring for domestic BPO processes including SBI Cards, Chola MS, Twin Health, and GoFirst, consistently meeting monthly hiring targets.
- Planned hiring batches and manpower allocation in line with fluctuating business demand.
- Coordinated with external recruitment vendors to build a reliable sourcing pipeline and control cost-per-hire.
- Prepared daily recruitment MIS reports and hiring dashboards for leadership review, using data to track progress and support hiring decisions.
- Partnered with Operations and Training teams to ensure smooth induction and faster time-to-productivity for new joiners.

HR Executive Dec 2020 – Sep 2021
GRT Jewellers

- Executed retail and corporate hiring across South India, supporting store expansion and manpower planning.
- Partnered with regional managers to forecast and fulfil store-level manpower requirements.
- Led campus recruitment drives and walk-ins, building an entry-level talent pipeline.
- Managed onboarding documentation, employee ID creation, and payroll input accuracy.

HR Executive Feb 2018 – Mar 2020
Plada Infotech (Yes Bank Payroll)

- Managed full-cycle recruiting for Banking Sales, Contact Centre, and Operations roles across assigned territories.
- Coordinated interview scheduling and feedback loops with business stakeholders to reduce hiring cycle time.
- Maintained attendance, HR documentation, and attrition reporting for the assigned business unit.
- Supported employee engagement initiatives and first-level grievance resolution.

Operations Executive Jun 2016 – Aug 2017
Aegis

- Handled customer support operations and issue resolution, maintaining service quality benchmarks.
- Maintained accurate customer records in line with process and compliance standards.

HR Management Trainee Dec 2014 – Jul 2015
EDAC Engineering

- Supported end-to-end recruitment, sourcing, induction, and HR administration.
- Assisted with attendance tracking, leave records, and employee engagement activities.
