ABOUT ME

I am Saranya, a B.Com Computer Applications graduate with one year of professional experience as an Accounts Executive. I have hands-on knowledge of Tally ERP, journal entries, accounting, and financial data management. I have recently completed a Data Analytics course and developed skills in Excel, SQL, Python, and data visualization. I am interested in building my career as a Data Analyst and using my accounting background and analytical skills to analyze data, identify insights, and support better business decisions.
