B.Tech, Electronics and Communication Engineering
Address : C-05, Nura, Vidhya Vahini residential enclave, Dindigul main road, Paravai, Madurai-625402

## Summary

Enthusiastic 3rd-year Electronics and Communication Engineering undergraduate with strong interest in both hardware and software programming. Skilled in electronic systems, embedded concepts, and software development fundamentals. Passionate about building real-world projects involving hardware-software integration and eager to continuously learn, innovate, and grow a career in electronic coding and system development."

## Education

**SRM IST-Trichy** 2027
B.Tech · Electronics and Communication Engineering CGPA - 8.29/10

**Maharishi Vidhya Mandir School** 2023
Class XII - CBSE · Madurai Percentage - 78.4%

**Mahrishi vidhya mandir school** 2021
Class X - CBSE · Madurai Percentage - 89.4%

## Experience

**Dextra technologies** Jun 2025 - Jul 2025
Front end and back end developer · Front end and back end developer Velachery, Chennai

## Projects

**Automatic traffic regulation system** Oct 2025 - May 2026
· Esp 32 Electronics

I have jointly helped build a smart traffic regulation system prototype model that can be used to seamlessly control the traffic using signals.

**Software to convert recorded music to readable sheet music** Jul 2025 - Jul 2026
· Google colab Signal processing

I am currently working on a software that can convert any recorded music to a readable music notation. The system works with Digital Signal Processing to split and identify the tones and rhythm.

## Awards

**Clash of chords** Feb 2025
Music club · Sri Eshwar college of engineering

Lead the band from the music club of the college into winning the second place in the clash of chords event held in the Thiran international techno cultural sports fest by Sri Eshwar college of engineering, Coimbatore.

## Competitions

**Clash of Chords** Feb 2025
Runner up · Music club

Lead the band from the music club of the college into winning the second place in the clash of chords event held in the Thiran international techno cultural sports fest by Sri Eshwar college of engineering, Coimbatore.

## Conferences and Workshops

**Internet of Things** Mar 2025
KPR Institute of engineering and technology · Coimbatore

## Extra Curricular Activities

**Drummer**

## Skills

**Programming Languages:** Python, C, javascript, css, HTML

## Languages

English [Professional Working Proficiency], Tamil [Native Proficiency], Telugu [Native Proficiency], Hindi [Native Proficiency]
