EXPERIENCE

Netflix Data Analytics using Python Libraries

Intern , Accent Techno Soft

06/2025 – 07/2025 Coimbatore

Developed a Netflix Data Analytics project using Python libraries, including Pandas, NumPy, and Matplotlib, to analyze and visualize Netflix movie and TV show datasets. Performed data cleaning, preprocessing, and exploratory data analysis (EDA) to identify content trends, genre distribution, release patterns, and audience preferences. Generated meaningful insights through interactive visualizations, enabling data-driven decision-making and demonstrating strong analytical and problem-solving skills.

Markting – Intern

Intern , Anapty Codeemy Technologies

05/2026 – 07/2026 Coimbatore

I Worked as a Marketing Team Member at Anapty CodeEmy Technologies, Coimbatore, promoting technical training programs through digital marketing, lead generation, and student outreach. Collaborated with the sales team to increase course enrollments by engaging with prospective students and building strong customer relationship

PROJECTS

Stock Trend Prediction System

Vivekanandha College for Women, Namakkal

08/2025 – 12/2025

I Developed a Stock Trend Prediction System using Python Machine Learning, and Yahoo Finance data to forecast stock price movements. Built an interactive Streamlit application to visualize predictions, model accuracy, and Buy/Sell signals using technical indicators.

Predictive Surveillance of Multidrug Resistant Pathogens Using AI-Based Contact Tracing

Vivekanandha College for Women,Namakkal

01/2026 – 04/2026

I Developed an AI-powered surveillance system integrating clinical data and digital contact tracing to predict multidrug-resistant (MDR) pathogen outbreaks. Utilized machine learning for risk assessment, early detection,and real-time infection monitoring to enhance hospital safety.

SKILLS

- Python(Programming)
- Editing(basics)
- Machine Learning(Prediction)
- PowerBI(Visualization)
- Data Analytics(Analysis)
- Excel(Data Manipulation)

LANGUAGES

English

Tamil

EDUCATION

B.E (Computer Science And Technologies)

Vivekanandha College for Women, Namakkal

09/2022 – 04/2026

Computer Science

Government Model Higher Secondary School, Salem

06/2019 – 05/2022

PUBLICATIONS

International Conference

Vivekanandha College for Women, Namakkal

12/02/2026 Namakkal

I Presented the research paper "Predictive Surveillance of Multidrug Resistant Pathogens Using AI-Based Contact Tracing and Clinical Data Integration" at the International Conference on QEISSET'26, organized by Vivekanandha College of Engineering for Women in association with Universiti Tun Hussein Onn Malaysia (UTHM).

CERTIFICATES

- **Python for AI & MI Workshop**- KSR Collage Of Engineering ,Tiruchengode
- **Paper presentation** - Government Engineering collage ,Erode
- **Web Tech Hackathon** - Innovate with finance and healthcare oraganized by the Hunar Intern[Unstop]
