ABOUT ME

A passionate UI/UX and Visual Designer with 7+ years of hands-on experience delivering end-to-end product design across web and mobile platforms. Self-taught and deeply curious, I draw inspiration from everyday life and nature to create intuitive, user-centered experiences. I am an adaptive multitasker who executes multiple design projects with accuracy and efficiency. A firm believer in 'Do what you love, love what you do,' I bring enthusiasm and dedication to every project — from initial wireframes to developer-ready assets.

WORK EXPERIENCE

Sr. UX UI Designer | Jan 2025 – Jan 2026

Immedone Technologies Private Limited, Coimbatore [Full Time]

- Lead end-to-end product design initiatives across multiple web and mobile platforms, ensuring full alignment with business objectives and user needs.
- Defined and maintained UX architecture, comprehensive user journeys, and scalable interaction models to support long-term product growth.
- Delivered high-fidelity visual designs, interactive prototypes, and developer-ready assets using Figma.
- Oversaw design quality assurance throughout the development lifecycle, collaborating closely with engineering teams to ensure accurate and consistent implementation.
- Mentored junior designers and conducted design critique sessions, raising overall team design standards.

Sr. UX UI Designer | Jul 2024 – Dec 2024

eGrove Systems Private Limited, Teynampet, Chennai [Full Time]

- Designed user-centric interfaces for web and mobile applications using Figma and Adobe XD.
- Collaborated with product managers, developers, and stakeholders to align design solutions with business objectives and user needs.
- Built high-fidelity prototypes and conducted usability testing to validate concepts, iterating based on feedback and analytics.
- Guided junior designers, fostering skill development and promoting design best practices across the team.

UX UI Designer | Mar 2022 – May 2024

Xenovex Technologies Private Limited, Chennai [Full Time · TNEMIS / DPI Campus]

- Created high-quality UX deliverables: wireframes, visual designs, flows, storyboards, sitemaps, and prototypes using Figma and Adobe XD.
- Designed UI elements including menus, search boxes, tabs, widgets, banners, layouts, and landing page links.
- Tested UI components and iterated on designs based on stakeholder feedback and usability tests.
- Collaborated with product and development teams to understand user needs, requirements, and technical constraints.

UI/UX & Graphic Designer | Nov 2020 – Mar 2022

Kalki Automations Private Limited, Coimbatore [Full Time]

- Designed dashboards and interfaces for Web and Mobile Applications using Figma and Adobe XD.
- Created icons, logos, and brand visual assets for Kalki products.
- Collaborated with developers to ensure pixel-perfect implementation of design specifications.

Photoshop Editor & Visual Designer | Jul 2018 – Jul 2020
Kayal Photography, Namakkal [Full Time]

- Designed albums, wedding event photography materials, and client deliverables.
- Created logos, visiting cards, brochures, and flyers for corporate clients.
- Produced promotional videos for corporates using Adobe Premiere and After Effects.
