## PROFESSIONAL SUMMARY

Analytical and detail-oriented Computer Science graduate aspiring to build a long-term career as a Junior Data Analyst or Junior Data Scientist. Experience in turning raw datasets into structured, actionable insights with technical proficiency in Python programming, SQL databases, and data science libraries. Proven capabilities in web scraping, structured data visualization dashboards, and practical industry internships.

## INTERNSHIP EXPERIENCE

**Data Analytics Intern (Power BI)** July 2025 — September 2025
*Placemantra (MSME & AICTE Certified Internship)* *ID: [072025CDA1850]*

- Successfully executed core data analysis tasks using Power BI to build interactive administrative and operational dashboards
- Conducted data cleaning, modeling, and data-driven reporting pipelines with a highly sincere and diligent professional approach
- Formulated insights from complex datasets to streamline reporting workflows and maximize business metric visibility

## TECHNICAL PROFICIENCY

- Analytics Tools: Power BI Reporting, MS Excel (Dashboards, Pivot Tables, Advanced Data Formulas).
- Databases & Code: Fundamental Python Programming, MySQL, C, C++.
- Methodologies: Data Visualization, Process Automation workflows, Version Control (Git, GitHub), Agile.
- Core Competencies: Data-Driven Decisions, Technical Leadership, Analytical Thinking, Critical Auditing.

## DATA SCIENCE LIBRARY TOOLS

- Data Manipulation & Analysis: Pandas, NumPy.
- Data Visualization: Seaborn, Matplotlib.
- Web Scraping & Data Extraction: BS4 (Beautiful Soup 4).

## DATA ANALYTICS PROJECTS

**Business Automation and Analytics System** Python, Data Libraries

- Created a centralized data application connecting administrative dashboards, automating candidate screening workflows, and enhancing operational efficiency by 60 percent.

## EDUCATION

**Bachelor of Science in Computer Science (Graduated: 2027)** Top 1% of Class
*VET Institute of Arts and Science, Erode — Tamil Nadu* *Distinction Status*

- Higher Secondary Certificate (HSC) (Year of Completion: 2024) — Score: 70%
- Secondary School Certificate (SSLC) (Year of Completion: 2022) — Score: 74%

## ACHIEVEMENTS & LEADERSHIP

- Academic Topper (2024-2025): Ranked #1 in B.Sc. Computer Science for absolute academic excellence.
- Topper in Mathematics (2024-2025): Ranked #1 in B.Sc. Computer Science for absolute academic excellence in Mathematics.
- Ideathon and Hackathon Success: Secured 2nd Place at Eureka 2025 Ideathon and 2nd Prize at HIBOT 2025 Debugging.
- Coding Club Secretary (2025-2026): Led technical club events and mentored over 150 plus computer science students.

## CERTIFICATIONS

- Data Analytics Certification (Bangalore): Hands-on training in data analysis techniques, statistical methods, and business reporting tools.
- Foundation Python Programming: Covers core Python concepts including data structures, control flow, functions, and scripting fundamentals.
- SQL Database Management: Focused on relational database design, query writing, and data manipulation using SQL.
- IBM Front-End Analytics Certification: Introduces front-end development fundamentals combined with analytics and data visualization concepts.
- English Typewriting (45 WPM): Certified typing proficiency at 45 words per minute, supporting efficient document handling.
- NCC 'A' Certificate: National Cadet Corps certification recognizing discipline, leadership, and teamwork training.
