Gugai, Salem, TamilNadu, India.

PROFILE SUMMARY

Academic Operations professional with experience in end-to-end program operations, academic planning, classroom and session management, student support, teacher coordination, stakeholder management, and operational reporting. Currently working as an Academic Associate – School Integrated Program (SIP) at Vedantu, where I manage end-to-end academic and operational activities across multiple programs and grades. Experienced in timetable and session planning, test coordination, student and teacher attendance, student progress monitoring, inventory management, school and central-team coordination, event management, technical issue resolution, and ground-level problem solving. Strong in managing multiple stakeholders, maintaining operational discipline, and ensuring smooth execution of academic programs.

EDUCATION

Vysya College, Salem.

- Bachelor of Computer Applications (BCA) *22-JULY-2020 - 09-MAY-2023*

WORK EXPERIENCE

VEDANTU | Academic Associate – School Integrated Program (SIP)

JUNE 2026 – PRESENT 2026 | SALEM-ATTUR, TAMIL NADU

- **End-to-End Academic & Program Operations**
- Manage end-to-end academic and operational activities for Vedantu's School Integrated Program (SIP).
- Handle operations across multiple programs and grades, including Grades 9 & 10 Foundation, Grade 11 Integrated, Grade 11 NCERT, Grade 12 Integrated, and Grade 12 NCERT. Serve as the primary point of coordination between the school, Vedantu central team, teachers, students, and parents.
- Work directly with the SIP Program Director on academic planning, operational reporting, scheduling, student progress, and issue resolution.
- Plan and coordinate class timetables, session schedules, test plans, and academic activities to ensure smooth program execution.
- **Classroom & Session Management**
- Coordinate day-to-day classroom and in-session operations to ensure classes run smoothly. Monitor student and teacher attendance and follow up on attendance-related concerns. Ensure session discipline, classroom readiness, and smooth execution of academic activities.
- Coordinate with teachers regarding session requirements, schedules, and operational concerns.
- Manage multiple sessions and academic activities simultaneously while maintaining operational discipline.
- **Student Progress & Academic Coordination**
- Monitor student understanding and academic progress across the program. Track examination results and student performance and share relevant performance reports with stakeholders.
- Coordinate with teachers to identify student learning concerns and support improvement in academic performance.
- Handle student and parent concerns related to academic delivery and learning experience.
- **Stakeholder & School Coordination**
- Coordinate directly with school representatives, teachers, students, parents, and Vedantu's central teams. Handle concerns raised by teachers, students, parents, and school stakeholders and work toward ground-level resolution.
- Escalate critical issues and provide structured updates and reports to the SIP Program Director. Ensure timely communication between the school and Vedantu central teams.
- **Technology & Technical Operations**
- Manage Vedantu's Wave platform for session allocation and teacher assignment across classes. Assign teachers to respective sessions and ensure teachers are able to access and conduct classes through the Wave platform.
- Support the school's smart-board-based digital classroom setup. Handle and resolve Wave and classroom technology-related issues to minimize disruption to sessions. Coordinate with relevant teams when technical issues require further support.
- **Inventory & Events**
- Manage inventory requirements and distribution for the SIP program. Ensure required learning materials and resources are available for students and teachers.
- Coordinate and support school events and academic activities. Work with school and Vedantu teams to ensure smooth execution of events.

VEDANTU | Academic Associate – Vedantu Learning Center (VLC)

APRIL 2026 – JUNE-&-PRESENT 2026 | SALEM, TAMIL NADU

- Supported day-to-day academic and center operations at the Vedantu Learning Center.
- Assisted with student onboarding, admission verification, and KYC-related processes.
- Coordinated student communication and supported a smooth learning experience.
- Coordinated with teachers and academic teams regarding sessions, attendance, and academic activities.
- Supported test-related activities and ensured timely communication with students.
- Assisted with operational documentation, student records, and process execution.
- Handled student and parent concerns and coordinated with relevant teams for resolution.
- Supported inventory distribution and other center-level operational requirements.

LMES – Uptor | Business Development Executive

DEC 2025 – APR 2026 | URAPAKKAM CHENNAI

- Handled inbound and outbound leads for technology-oriented upskilling programs including MERN Stack, Data Science, and AI & ML.
- Conducted consultative discussions to understand learner requirements and recommend suitable programs.
- Maintained CRM records, lead status, follow-up schedules, and customer information.
- Managed structured follow-ups throughout the customer journey.
- Supported student onboarding and coordinated with academic teams for batch allocation and execution.
- Handled student queries and provided post-enrollment support.
- Coordinated with internal teams to ensure smooth transition from enrollment to course commencement.

RMK Express, Salem | Booking and Pick-Up InCharge

Nov 2023 – Dec 2024 | Salem, TAMILNADU

- Managed daily booking and pick-up operations with accuracy and timely processing.
- Coordinated with logistics teams for handover, dispatch, and tracking activities.
- Planned daily schedules and allocated resources to ensure timely execution.
- Trained and supervised 12+ new pickup staff to support operational efficiency.
- Maintained operational records and ensured smooth day-to-day workflow.
- Handled operational concerns and coordinated with relevant teams for timely resolution.

Selfmade Ninja Academy, Bangalore | Program Advisor – Sales

May 2023 – Nov 2023 | Kanakapura Bangalore

- Advised students on career-oriented programs through structured counseling and communication.
- Managed inbound and outbound calls and supported student engagement.
- Assisted students with onboarding and documentation processes.
- Maintained student records and ensured smooth transition from enrollment to course commencement.
- Coordinated with internal teams to support batch allocation and program execution.
- Handled student queries and provided timely follow-up throughout the enrollment process.
