ABOUT ME

"Motivated and detail-oriented Mechanical Engineering student seeking opportunities to apply technical skills and knowledge in quality control and design." Proficient in CAD tools like AutoCAD, SolidWorks with hands-on experience in 2D drafting and 3D modeling. CNC program Basic knowledge of CNC programming and operation, while gaining hands on experience in a collaborative work environment.

EDUCATION

Bachelor of Mechanical Engineering — **7.36 CGPA** — 2026
Government College Of Engineering, Erode. — upto 8th sem

HSLC - Computer Science — **71.6 %** — 2022
St.Mary's Girls Higher Secondary School, Mettur.

SSLC — **66.6%** — 2020
St.Mary's Girls Higher Secondary School, Mettur.

AREA OF INTEREST

- CAD Modeling
- Finite Element Analysis
- Quality Control
- GD&T

SKILLS

- Expertise in AutoCAD, SolidWorks.
- Basics in CNC Machine Programming(Lathe / Milling).
- Communication & Presentation.
- Team Collaboration.

INTERNSHIP

ISQUARE DATA SYSTEM PVT, Trichy for 15 days — **July 2024**

- Observed company operation, gaining knowledge from new workpiece design through machining, testing, and quality inspection.

METTUR THERMAL POWER PLANT (MTPS-2), Salem for 4 weeks — **August 2025**

- During the internship training, I learned about how the power generated from a raw coal and safety measures taken to prevent from accidents.
- Gained knowledge of coal-based power generation, including electricity storage and distribution to different areas.

SUPER AUTO FORGE PRIVATE LIMITED, Chennai

- Gained hands-on experience in quality control processes including inspection, measurement, and quality assurance of forged components.
- Learned quality standards and inspection techniques used in the automotive forging industry, including dimensional verification and defect analysis.

PAPERS AND WORKSHOP

- Complete one day workshop on **"Drone Technology"** organized by Government College of Engineering, Salem. (2025)
- Presented a paper on **"Plastic Sheet Press"** at Government College of Engineering, Erode. (2024)
- Presented a paper on **"Abrasive Blast Machining"** at Vellalar College of Engineering, Erode. (2024)

PROJECT

- **Plastic Sheet Press Machine -** Designed in Solid Works. (By melting the grained plastics and pressed by using the Pneumatic press to recycle the waste plastic to **Reusable Sheets**)
- **Car Suspensions -** Designed in Auto CAD

DECLARATION

I Certify that all information provided in this resume is accurate and true to the best of my Knowledge.
