GitHub : https://github.com/Surendar333

Date of Birth : 23 : 04 : 2004

CAREER OBJECTIVE: -

I am currently pursuing Electrical and Electronics Engineering who is strong in leading the team and maintaining time. I consider myself as a responsible and orderly person. I am looking forward for my first working experience and want to be a part in your company's growth.

EDUCATION: -

Bachelor of Electrical and Electronics Engineering (Pursuing)
M. Kumarasamy College of Engineering,2022-
2026. CGPA:6.65 (up to 7thsem)

Higher Secondary Certificate–Sri Vinayaga Matriculation Higher SecondarySchool,2022.
Percentage: 70.16%

Secondary School Leaving Certificate – Sri Vinayaga Matriculation Higher Secondary School
,2020 Percentage: 80%

PROJECTS:-

Fuel Tank Monitoring and Theft Detection System

- Designed and developed a real-time fuel level monitoring system using sensors to track fuel levels and detect anomalies.
- Implemented instant alert mechanisms to notify users during fuel theft, improving vehicle safety and security.

Auto Home Guard for Electrical Gadgets

- Implemented an Auto Home Guard system to protect electronic gadgets by integrating smart sensors for voltage detection and automated power control.
- Added auto-discharge functionality to prevent overload and unauthorized access, ensuring device safety and reliability. Energy transfer.

Sliding Mode-Based Power Management for Green Energy EV Charging Hubs

- Developed a hybrid solar-wind EV charging hub with battery backup for continuous, eco-friendly charging.
- Implemented Sliding Mode Controller (SMC) based energy management system for optimal power allocation, reducing cost and improving efficiency.

AREA OF INTEREST: -

- Power Electronics
- Electric Vehicle

SKILLSET: -

Soft Skills:

- Leadership
- Project Management
- Team work
- Time Management

Technical Skills:

- Electric Machines ★★★☆☆ (Intermediate)
- C ★★★☆☆ (Intermediate)
- Mat lab ★★☆☆☆ (Beginner)
- Porteus ★★☆☆☆ (Beginner)
- Circuit Design ★★★☆☆ (Intermediate)
- Arduino IDE ★★★☆☆ (Intermediate)

CERTIFICATIONS: -

- Earned certification in Cloud Computing (Cloud Infrastructure and Contemporary Computing Paradigms) through NPTEL Online Course, 2025

CO CURRICULARACTIVITIES: -

- Took part in a Project Expo at Kongu College of Engineering, Erode, and presented a project on "EV Charging" showing technical skills and teamwork.
- Presented a paper on "SMART GRID" at KRCE, Trichy

INTERNSHIP:-

- Completed internship in EG Technologies in Circuit Design and Simulation from July 1, 2025 to July 17, 2025.

DECLARATION:-

I hereby confirm that the information given above is true to my knowledge and belief.
