PROFESSIONAL SUMMARY

A creative and user-focused UI/UX Designer with hands-on experience designing intuitive and visually appealing digital interfaces using Figma and Canva. Skilled in translating ideas into structured wireframes and high-fidelity prototypes that prioritize user experience. Currently completing a UI/UX Design certification and actively building a project portfolio. Seeking a UI/UX Designer role to contribute to meaningful product design.

TECHNICAL SKILLS

Design Tools: Figma, Canva
UX Process: Wireframing, Prototyping, User Research, High-Fidelity Design
Design Principles: Responsive Design, Typography, Color Theory, Visual Hierarchy
Soft Skills: Creativity, Attention to Detail, Problem Solving, Communication

UI/UX DESIGN PROJECTS

E-Commerce Website UI Design | *Figma* | View Project

- Designed a complete e-commerce website UI for a hair care brand (Growth) featuring product pages, promotional banners, and category navigation.
- Applied consistent color palette, typography, and layout principles to create a clean and user-friendly shopping experience.
- Designed interactive elements including a hero section with CTA, product cards, and navigation bar.

Digital Marketing Agency Website Design | *Figma* | View Project

- Designed a multi-page website for "Wizard X Digital Marketing Agency" following the full UX process from low-fidelity wireframes to high-fidelity prototype.
- Created structured wireframes to plan layout and content hierarchy before applying visual design.
- Delivered a polished final design with consistent branding, responsive layouts, and an intuitive user flow.
