CAREEER OBJECTIVE

Motivated Computer Science Engineering undergraduate with an interest in java programming and problem solving, seeking opportunities to apply my skills, learn industry practices, and grow as a software professional.

EDUCATION

Bachelor of Engineering (B.E.) in Computer Science & Engineering **2023 -2027**
Kongunadu College of Engineering and Technology, Trichy CGPA: 7.64/10.0

Higher Secondary Class XII **2022-2023**
Aringar Anna Goverment Higher Secondary School, Trichy. Percentage : 76 %

PROJECTS

Enhanced Library Management System

Github Link

| Mini Project – Kongunadu College of Engineering and Technology

Technologies Used: Java, Spring Boot, MySQL, HTML, CSS, JWT Authentication

- Developed a web-based Library Management System to automate book management, borrowing, and return processes.
- Implemented secure role-based access control using Spring Boot and JWT authentication
- Integrated features such as Smart Book Recommendations, Automated Fine Calculation, and User Management.

Fake News, Image and Video Detection System

Github Link

| Hackathon Project – 0X.day Pondi

Technologies Used: Python, Flask, NLP, Scikit-learn, HTML, CSS.

- Developed a system to identify fake news using basic Natural Language Processing techniques.
- Implemented a machine learning model using Python and Scikit-learn.
- Integrated the model with a simple web interface using Flask
- Worked as part of a team during a 24-hour hackathon to build and test the solution

TECHNICAL SKILLS

Programming Languages : Java, Python .
Web Technologies : HTML, CSS, Tailwind CSS(Basic).
Database Management : MySQL, postgreSQL.
Tools & Platforms : Git/GitHub, Eclipse IDE, VS Code, Figma, Kaggle.
AI/ML Technologies : CNN, RNN, Isolation Forest, TensorFlow.
Core Concepts : Object-Oriented Programming, DBMS (Basics).
Soft Skills : Problem-Solving, Willingness to Learn, Team Collaboration, Adaptability.

EXPERIENCE

Frontend Development Intern **Aug 21st to Sep 21st**

IBM SkillsBuild | Remote **(Online)**

- Completed comprehensive frontend development training program with hands-on projects

- Designed responsive web interfaces using HTML, CSS, JavaScript, and React Successfully completed technical assessments and built portfolio-ready web applications, Gained expertise in modern UI/UX design principles and responsive design techniques.

TECHNICAL EXPOSURE

- Presented technical papers as part of an inter-college **Paper Presentation** event
- Participated in multiple college-level **Hackathons** focused on real-world problem-solving

AREAS OF INTEREST

- Web Application Development
- AI-Based Applications

PERSONAL INFO

Name **: Abinaya M**

Date of Birth **:** 18/09/2006

Gender **:** Female

Nationality **:** Indian

Languages Known **:** English, Tamil
