CAREER OBJECTIVE

Computer Science Engineering graduate with a strong foundation in web development. Skilled in designing responsive web applications using HTML, CSS, Java, and basic Sql. Possesses a good understanding of machine learning algorithms, data handling, and problem-solving techniques.

EDUCATION

BE in Computer Science and Engineering 2024-2027
Kongunadu College of Engineering and Technology, Trichy
CGPA - 70/100

Diploma Computer Engineering 2022-2024
Kongunadu Polytechnic College ,Trichy
CGPA – 88/100

Class XII - Examination Score: 63% 2021-2022
HSC, Elurpatti

TECHNICAL SKILLS

- Programming - java , C
- Design language - Html,Css
- Database - Sql

SOFT SKILLS

- Leadership - Teamwork
- Time Management - Problem-Solving

ACADEMIC PROJECTS

Hand Gesture Based Multi Media Controller
An AI-based Hand Gesture Recognition System uses a camera and artificial intelligence to detect and recognize hand gestures in real time, allowing users to control media functions such as play, pause, and volume adjustment without touching any device, thereby providing a convenient and touch-free interaction experience.

Leaf Plant Disease Prediction System

A machine learning–based system was developed to detect and classify plant leaf diseases using image processing techniques. The system analyzes images of plant leaves and identifies the type of disease affecting the plant with high accuracy. It helps farmers and agricultural experts diagnose diseases at an early stage. Early detection enables timely preventive measures and reduces crop loss. This solution supports improved crop health and productivity in the agricultural sector.

Electronic Health Records (EHR) System

The Electronic Health Records (EHR) System is a web-based application developed using HTML, CSS, JavaScript, PHP, and MySQL to improve healthcare record management and accessibility. It enables efficient storage, retrieval, and updating of patient medical records in a centralized database. The system helps healthcare providers access patient information quickly and securely, improving the quality and efficiency of medical services.

CO-CURRICULAR CERTIFICATIONS

- Participated in technical events at other colleges and won prizes.
- Attended workshops and seminars at various colleges to enhance technical knowledge.
- Took part in hackathons and coding competitions organized in college.

HACKATHONS

- Participated in **ImpactX 3.0** Hackathon at Joseph's Institute of Technology.

CERTIFICATIONS

- Completed a **Value-Added Course** on **Core Java, Python** at my college.
- **NPTEL Certificate** for **Introduction to IOT and Software Testing**. And **Introduction to Machine Learning.**

PERSONAL INFORMATION

Name	: Kanagaraj S
Father Name	: Sanjeevi P
Date of Birth	: 23/01/2005
Gender	: Male
Marital Status	: Unmarried
Languages Known	: English, Tamil

DECLARATION

I hereby declare that all the information furnished above is true and correct to the best of my knowledge and belief.

Place: Thottiam
Date :
