27,Bajanamadai Street, Thottiyam - 621 215

OBJECTIVE

To obtain an entry-level position where I can utilize my Computer Science knowledge, enhance my technical skills, and contribute effectively to the organization's success while continuously learning and growing professionally.

EDUCATION

B.E. – Computer Science and Engineering **2023 - 2027**
Kongunadu College of Engineering and Technology, Thottiyam | CGPA: 8.65

HSC **2023**
Government Higher Secondary School, Balasamudram | Aggregate :91.83 %

SSLC **2021**
St.Mary's High School,Thottiyam.

TECHNICAL SKILLS

Programming Languages	Java, Python
Web Technologies	HTML, CSS
Database	MySQL
Soft Skills	Problem solving, Teamwork

PROJECTS

Leaf Disease Prediction System

- Developed an AI/ML-based web application to identify plant leaf diseases from uploaded images.
- Used Deep Learning techniques for accurate disease detection and classification.
- Provided disease information and preventive measures to help farmers improve crop health.
- Technologies Used: Python, TensorFlow, Keras, OpenCV, Flask, HTML, CSS.

Electronic Health Record (EHR) System

- Developed a centralized web-based healthcare management system for storing and managing patient records.
- Enabled hospitals and doctors to securely add, update, and access patient medical histories.
- Improved healthcare record accessibility and streamlined patient information management.
- Implemented authentication and database integration for secure data handling.
- Technologies Used: Python, MySQL, HTML, CSS, JavaScript.

INTERNSHIP EXPERIENCE

Web Development Intern
Aiverz Technologies **June 2025**

- Developed responsive web pages using HTML, CSS, and JavaScript.
- Gained hands-on experience in building user-friendly web applications.

Artificial Intelligence & Machine Learning Intern
Inspire Softech Solutions **December 2024**

- Gained practical exposure to AIML data preprocessing, model training, and evaluation.
- Worked on implementing machine learning algorithms and understanding real-world AI applications.

CERTIFICATIONS

- Completed a Value-Added Course on Core Java, Python.
- NPTEL Certificate on Introduction to IOT and Software Testing

ACTIVITIES

- Participated in the AISE Hackathon conducted at International Institute of Information Technology Hyderabad.
- Participated in ImpactX 3.0 Hackathon at St. Joseph's Institute of Technology.
- Presented technical papers at various inter-college events.

EXTRA CURRICULAR ACTIVITIES

- Secured First Place in Kabaddi during the College Sports Day competition
- Active member of the Multimedia Club.
