Professional Profile

B.Tech. Artificial Intelligence and Data Science undergraduate with a strong foundation in **Java, DBMS**. Hands-on experience in application development, database integration, and debugging through academic projects and internships. Familiar with **Python, SQL, and Machine Learning**, with a basic understanding of Cloud Computing and a strong interest in software development.

Skills

Programming Languages: Java, Python (Basic), SQL (Basic)
Databases: MySQL
Core Computer Science: OOP, Data Structures and Algorithms, DBMS
Web Technologies: HTML, CSS, JavaScript (Basic), MERN Stack (Basic)
Cloud: Cloud Computing Fundamentals
Developer Tools: GitHub, VS Code
Data Analytics: Data Preprocessing, EDA, Power BI, Tableau
Additional: English Typewriting

Experience

MIST Software Solutions Pvt. Ltd., Coimbatore **Jun 2025 – Jul 2025**
Data Science Intern *MySQL, HTML, CSS, JavaScript*

- Developed and tested web application features using **HTML, CSS, JavaScript, and MySQL**.
- Worked with **MySQL** for data storage, retrieval, database integration, testing, and debugging.

CubeAI Solutions, Tiruchengode **Dec 2025 – Jan 2026**
Data Analytics Intern *Power BI, Data Processing*

- Performed **data cleaning, preprocessing, and exploratory data analysis** on structured datasets.
- Created interactive **Power BI dashboards and reports** for analysis and visualization.

Projects

Real-Time Peer to Peer Campus Service Hub | *MongoDB, Express.js, React.js, Node.js*

- Developed a full-stack platform for student collaboration, skill exchange, project collaboration, and resource sharing.
- Implemented real-time chat and authentication; worked mainly on **MongoDB database design and integration.**

Campus Placement Drive Manager | *Java, OOP, Collections*

- Developed a console-based Java application to manage students, companies, eligibility, and placement registration.
- Implemented student and company management with eligibility checking, registration handling, and custom exception handling.

Zomato Food Express & Analytics | *Python, Flask, MySQL, SQL, JavaScript*

- Developed a food-ordering web application using **Python, Flask, MySQL, and JavaScript**.
- Used **SQL** for application data management and created basic analytics for revenue, customer, and payment information.

Awards & Certifications

- **2nd Prize** – National Level Code Debugging Competition, Nandha Engineering College
- **Diploma in J2EE Programming** – CSC
- **NPTEL** – Cloud Computing
- **Senior Grade English Typewriting**

Education

Nandha Engineering College **2023 – Present**
B.Tech Artificial Intelligence & Data Science ***CGPA: 8.7/10***

Government Girls Higher Secondary School **2023**
HSC ***78.67%***

Government Girls Higher Secondary School **2021**
SSLC ***85%***
