CAREER OBJECTIVE

Dedicated and adaptable Electronics and Communication Engineering student seeking an entry-level opportunity in the IT industry to apply my knowledge of Java, web development, databases, and problem-solving. Eager to learn new technologies, contribute effectively to organizational goals, and develop practical solutions while building a successful career in the IT field.

EDUCATION

K.S.R. College of Engineering, Tiruchengode 2023 - 2027
B.E. Electronics and Communication Engineering (ECE); CGPA: 7.7

Little Angels Higher Secondary School 2022 - 2023
HSC: 72%

Surabi Matric Higher Secondary School 2020-2021
SSLC:100%

SKILLS SUMMARY

- Programming Language: Java
- Web Technologies: HTML5, CSS3
- Databases: MySQL
- Tools & Platforms: GitHub, VS Code
- Soft Skills: Communication, Teamwork, Problem-Solving, Time Management, Adaptability

WORK EXPERIENCE

Web Development Intern | Embuzz Technologies Pvt. Ltd., Salem June 2025 - July 2025

- Completed industrial training on WAMP Stack (Windows, Apache, MySQL, PHP) and developed responsive web applications using HTML, CSS, and JavaScript.
- Integrated MySQL database for dynamic content and backend data handling.
- Collaborated with the development team to troubleshoot bugs, test web applications, and improve overall website functionality; applied responsive design principles to ensure compatibility across desktop, tablet, and mobile devices

PROJECTS

ElectraWiki | HTML, CSS, JavaScript, Netlify

- Developed a web platform to help ECE students access academic resources, including electronic components, formulas, and circuit concepts, in one place; built study materials and quick-reference content to support learning and fast revision for students and beginners.
- Designed a simple, user-friendly, and responsive interface with easy navigation to simplify technical concepts; covered 53+ ECE components across passive, semiconductor, IC, and sensor categories.

Education-Based Website | HTML5, CSS3, JavaScript

- Built a fully responsive, multi-page education platform following web accessibility standards; implemented interactive UI features to improve user engagement and navigation experience; optimized front-end performance with clean semantic HTML and CSS best practices.

CERTIFICATIONS

- Introduction to Industry 4.0 & Industrial IoT (Elite + Silver) | NPTEL, IIT Kharagpur | 2025
- Cloud Computing | NPTEL | 2025
- Web Development Industrial Training (WAMP Stack - Windows, Apache, MySQL, PHP, HTML, CSS & JavaScript) | Embuzz Technologies Pvt. Ltd., Salem | Jun-Jul 2025
- Advanced PCB Design: Tools for Innovation (Value Added Course) | K.S.R. College of Engineering & Chip Crafts Pvt. Ltd. | 2024
- Basic Electronics & Embedded System Design (15-Day Internship) | SAN Technovation, Perundurai | Jul 2024

EVENTS & WORKSHOPS

- Idea Presentation | CYBENZEC 2K26, Karpagam Academy | Feb 2026
- Technical Paper Presentation | ZINNIA'24 Symposium, Govt. College of Engineering, Erode | 2024
- Participated in Ideology Event - KRIYA 2025 | PSG College of Technology | Mar 2025
- Completed 3D Scanning Workshop - Insource Design Tech | Periyar University, Salem | Dec 2023
