SEENIVASAN N

Biomedical Engineering Graduate

Phone: 9342376961 | Email: seenivasanseenivasan587@gmail.com | LinkedIn: linkedin.com/in/seenivasan-n-8280b141a

OBJECTIVE

Motivated Biomedical Engineering student with knowledge of Java programming, IoT, and biomedical technologies. Seeking an entry-level opportunity in Software/IT or Biomedical Engineering where I can apply my technical, analytical, and problem-solving skills while contributing to innovative healthcare and technology solutions.

EDUCATION

B.E., Biomedical Engineering — CGPA: 6.9
Kongunadu College of Engineering and Technology, Trichy | 2023 – 2027

HSC — 70%
Government Higher Secondary School, Thumblam | 2022 – 2023

SKILLS

Technical Skills: Java
Soft Skills: Communication, Leadership, Problem Solving, Teamwork

INTERNSHIPS & PRACTICAL TRAINING

Hospital Training — Global Mission Hospital, Karaikudi

- Gained hands-on exposure to hospital management, medical equipment, and clinical workflows.
- Developed teamwork and communication skills while working in a live clinical environment.

Intern — Evaluate Bioscience, Tiruchirappalli

- Strengthened understanding of biomedical technologies and standard laboratory practices.

Intern — SD Pro Solution, Tiruchirappalli

- Learned biomedical instrumentation, equipment handling, and maintenance procedures through practical, industry-focused training.

PROJECTS

Baby Warmer Pouch
Designed a baby warmer pouch to maintain the body temperature of newborns, particularly premature infants, by reducing heat loss and supporting neonatal care.

IoMT Smart Bed
Developed an Internet of Medical Things (IoMT) smart bed system for real-time patient monitoring in healthcare environments.

ACHIEVEMENTS

- Secured Second Prize in the Circuit Debugging Competition held at Karpagam College of Engineering, Coimbatore.

CERTIFICATIONS

- Java — Yellow Matics
- IoT — NPTEL
- Medical Coding
