GOWRISHANKAR B

Erode, Tamil Nadu
7418554252 – gowrishankar85@gmail.com – linkedin.com/in/gowrishankar-b-3364553a5

PROFILE SUMMARY

Motivated Electronics and Communication Engineering student with a strong foundation in Java programming, problem-solving, and basic embedded systems. Hands-on experience through internships, a radar-based object detection project, and hackathon participation. Eager to contribute to software, embedded systems, and IoT projects while continuously learning and growing in a dynamic organization.

EDUCATION

B.E. - Electronics and Communication Engineering **2023 – 2027**
Excel Engineering College (Autonomous)
CGPA: 7.55/10

Sankar Higher Secondary School
SSL: PASS **2021**
HSC: 70% **2023**

INTERNSHIP

Enthu Technology Solution India Pvt. Ltd. **2025**
IoT / LoRaWAN Technology / 15 days

- Applied IoT concepts and wireless communication.
- Learned the fundamentals of LoRaWAN technology and IoT connectivity.
- Performed basic IoT-related technical activities during the internship.

Aptiv Components India Pvt. Ltd. **2026**
Automotive Wiring Harness Manufacturing / 20 days

- Observed automotive wiring harness manufacturing.
- Studied production processes and quality control procedures.
- Developed understanding of industrial manufacturing practices.

PROJECTS

Object Detection Using Radar System

- Developed a radar-based system for detecting objects using sensor technology.
- Studied radar sensing principles and object detection techniques.
- Analyzed the detected object information for practical applications.

TECHNICAL SKILLS

Programming Languages: Java (Basics)
Tools and Software: MATLAB, GitHub
Core Areas: Embedded Systems , IoT
Soft Skills: Teamwork, Communication, Time Management, Creativity

CERTIFICATIONS

- MATLAB Machine Learning Onramp
- L&T Web Development Fundamentals
- Debugging Certification
- Hackathon Participation Certificate

ACHIEVEMENTS

- Presented a technical paper at a college-level paper presentation event.
- Participated in hackathon activities and technical problem-solving challenges.

LANGUAGES KNOWN

Tamil (Native)
English (Professional Working Proficiency)
