PROFESSIONAL SUMMARY

Final-yearB.E. Computer Science and Engineering (AI & ML) student with a solid foundation in core Java, Object-Oriented Programming, and Data Structures & Algorithms. Experienced in building full-stack academic applications with Java and MySQL, backed by a track record of winning multiple hackathons and project competitions.

TECHNICAL SKILLS

Programming Languages: Java, Python

Core Concepts: Object-Oriented Programming (OOP), Data Structures & Algorithms (DSA)

Database: MySQL

Tools: VS Code,Github,Antigravity

Soft Skills: Problem Solving, Teamwork, Time Management, Leadership

EDUCATION

Velalar College of Engineering and Technology 2023 - 2027

B.E. Computer Science and Engineering (Artificial Intelligence and Machine Learning) | CGPA: 8.3

KSR Matriculation Higher Secondary School 2022 - 2023

HSLC | Percentage: 72%

PROJECTS

Digital Blood Donation Management Portal 2025

- Built a Java and MySQL web application for donor registration and real-time blood request handling.
- Designed the relational database schema and implemented matching logic to connect donors with recipients by blood group and availability.
- Improved coordination efficiency and ensured timely access to critical blood resources through structured, reliable data management.

Voice-Controlled Robot 2024

- Developed a Java-based mobile-controlled robotic system enabling precise, step-based navigation with a MySQL backend for command logging.
- Integrated wireless communication for real-time control between the mobile interface and the robot.
- Improved movement accuracy and designed an intuitive interaction flow for efficient operation.

ACHIEVEMENTS & RESPONSIBILITIES

- VIT INNOHACK 2026 - Shortlisted for the Final Round under Health & Med Tech.
- VCET Project Expo - 1st Prize Winner.
- VCET IDEAFEST 2025 - 1st Prize Winner.
- IIT PALS - Think 2 Impact, Tagore Engineering College - 3rd Prize Winner.
- Vice President, YRC Club, Velalar College of Engineering and Technology - Coordinated club activities and supported event organization and execution.
